

2020 JANUARY

All parents face new and unexpected challenges when it comes to raising children. Nest classes offer an easy way to meet other parents, learn about parenting strategies, and earn free items for your growing family.

Wednesday 11am-12pm and
Wednesday 6pm-7pm

Points can only be earned for each lesson once. 30 minutes before & after class can be used for clients to meet with me individually if needed.

Classes are held at ISU Extension and Outreach of Davis County at 402 E. North Street in Bloomfield unless otherwise noted.
