We are closed for lunch
from 12:15pm-12:45pm.

Please e-mail with
any questions you
have and I will
respond back to you
ASAP.

Hello!

I would like to introduce myself, I am Hailey Burgher and I am the new County Youth Coordinator here in Davis County! I am so excited about this opportunity to work with all of you! If you have any questions for me please do not hesitate to reach out to me at the office. We are currently open by appointment only so if you need to stop in to see us give us a call first and we can schedule a time! I am looking forward to starting the new 4-H year with you all next month!

THANK YOU...

I want to thank everyone who helped us make the 2020 4-H and FFA Shows a success this year. While the shows looked different, I am thrilled that we were able to have them. It took the help of all of you to keep it running smoothly with all of the adjustments that we had to make this year.

THANK YOU NOTES

Thank you notes let people know that their generosity is greatly appreciated! I highly recommend that you send a note to those that helped you this year. Here are a few people to think about when working on your thank you's: Trophy Sponsors (call our office if you need an address for these), Leaders and the MANY volunteers that gave their time to help with the shows and leading up to them.
