ISU Extension and Outreach Davis County office, downstairs
Please welcome our new Extension Field Agronomist, Clarabell Knapp!

Clarabell Knapp grew up in Bloomfield, Iowa on her family’s row crop and livestock operation. Growing up she was actively involved in the agriculture industry through showing club lambs across the Midwest and becoming involved in 4-H and FFA. She received her bachelor’s degree in Agronomy from Iowa State University in May of 2019. Following graduation, she worked as a sales rep in the ag retail industry and began working towards achieving her master’s degree in Agronomy. She continues to help on the family farm and raise club lambs.

Stop by the Child Abuse Prevention booth at the fair!
Sheriff Dave Davis will be offering fingerprinting for children.
They will be giving away drawstring bags with goodies.

Child Abuse Prevention

All are welcome. Follow our Facebook page to stay connected: Davis County Council for the Prevention of Child Abuse.
