Greetings!

I hope you all are staying as safe as possible during this time. I want to take a moment to thank all of you that are doing your best to stay invested in your 4-H experience, and for your patience while we navigate the uncertain waters we are in. I look forward to the day we can come together again face-to-face to learn something new. I, for one, will never again take for granted the smiling face of a friend that I get to see in person. As we go into day...? of COVID-19, some of you may be beginning to feel the weight of social distancing, sadness, negativity, and the burden of this virus. Please. If you need to reach out for a helping hand just know that your local ISU Extension and Outreach is here for you.
