Class Topics for September 2016

Nest Garden
We will NOT have a group Garden Work Day this month. This will also be the last month you can earn extra points at the garden. To get an extra 500 points, simply go out the garden and post a photo on Facebook of you weeding/watering the garden. Except for Sept 5th-11th, since we will not have class that week you will earn 700 points for going out to the garden on your own.

STEP: Systematic Training for Effective Parenting
The bases of this curriculum is that all behavior goes back to a basic social purpose: to belong. Learn how to use this information to parent young children. Families will have a book to take home for these sessions, the book can be kept for 500 points or returned at end of the series.

Please contact Keelie Johnson (keeliej@iastate.edu) about Nest classes or Brenda Spurgeon (bspurg@iastate.edu) about enrolling in the program. Both can be reached at 641-664-2730.

Sept 5th & 7th
Labor Day Holiday
No Nest
(If you water/weed the Nest Garden between of Sept 5th and 11th AND post a photo on Facebook of you doing this- then you will get 700 points instead of 500).

Sept 12th & 14th
