Seed Start Class

Thurs, Nov 16th • 6:00pm
ISU Extension and Outreach of Davis County
402 E. North Street in Bloomfield

REGISTER BY November 8th at 641-664-2730 or sknoxF@iastate.edu

It is never too early to start dreaming, planning, and preparing for next year’s garden. Associate Professor Neric Smith at Indian Hills will be teaching us to do seed starts. We will cover the basics of starting garden plants indoors, planning what to plant, where to get seeds, timing, and the best ways to get started for a successful jump on the growing season.

Cost is $5 for Davis County residents and $10 for our out of county residents.

This agricultural workshop is presented by ISU Extension and Outreach of Davis County.
