It’s That Time of Year Again!

It is 4-H enrollment time! Families are able to go into 4HOnline to enroll/re-enroll for the 2018-2019 4-H year. The credit card payment option, in 4HOnline, has bee activated for enrollment/re-enrollment payments again this year. Families need to go to 4honline.com to sign in and re-enroll. To do this you must have your family email address and password available for use.

Clover Kids and New Members also need to fill out the new member enrollment in 4HOnline as well. All you need is an email address on file with the Extension Office and we will send you the help sheets to begin the process or go to: iowa4honline.com, select ‘Iowa,’ then select ‘I need to setup a profile.’

It is important that every family go online to re-enroll as this IS NOT an automatic process. We would like the process completed by March 15th, 2019.

As of January 31, 2019, I am proud to say that the Des Moines County 4-H program has 379 youth enrollments and 68 adult enrollments. These numbers are surpassing our enrollment at this time last year!

Keep those enrollments coming in as 4-H GROWS Here in Des Moines County!!!
**Program Activity Fees**

The program activity fees are $35.00 this year. The Des Moines County Extension Council has graciously donated $10.00 per member and the Des Moines County 4-H Foundation is covering an additional $15.00 per member. The remaining $10.00 per member will need to be paid through the club. Ask your leaders how your 4-H club will be paying this fee.

The club program activity fees are due to the Extension Office, when received, but no later than May 15, 2019. No Exceptions!!! Leaders...please make out one check to the Des Moines County Extension Office. The due date is important to insure that all of our members are covered.

Don’t forget, if you are a Des Moines County Farm Bureau family you are eligible for the $10.00 per member benefit that Farm Bureau offers our 4-H members. To receive this benefit, it is the family’s responsibility to contact your local Farm Bureau office to request it.

2019 "Speak into the Mic" Communication Workshop

The Des Moines County Communications Committee is going to hold a “Speak into the Mic” Communications Workshop on Saturday, March 23, 2019, from 9:00 a.m.-3:00 p.m. at the Des Moines County Extension Office in West Burlington. This workshop is open to all 4th - 12th graders in Des Moines County and the surrounding area. Lunch will be provided.

During the morning session, youth participants will be educated on the three parts of a presentation: introduction, body, and conclusion; youth will then team up to plan, prepare, and give Educational Presentations using the props provided; and learn what it takes to prepare a Working Exhibit. The afternoon session will focus on Extemporaneous Speaking. Youth, of all ages, will incorporate what they learned in the morning and apply that knowledge when preparing their mini Extemporaneous speeches.

Registration deadline for this FREE workshop is March 23, 2019, and the cost for the day is $10.00 to attend the workshop. To register, contact the Des Moines County Extension Office at 319-671-7165 or outside of the West Burlington at area 800-914-1914.

Attention: Swine Exhibitors

The Des Moines County Swine Committee has decided that there **WILL NOT** be an organized swine weigh-in held in Des Moines County again this year.

All 4-H and FFA pigs must be identified by ear notch, ear tag, sex, and color by the individual themselves. Paperwork must be turned in to the Extension Office by April 26, 2019. Each exhibitor is limited to identifying a maximum of 12 pigs.

Production market barrows and gilts are to be weighed by the individual **anytime between April 6 and April 13, 2019**. Ear notch, ear tag, sex, and color need to be identified and paperwork turned in by April 26. Any barrow/gilt weighing over 65 pounds will not be eligible for the Production Barrow or Gilt Class.

Any combination of gilts and barrows may be identified on the identification form and turned into the Extension Office by April 26. It is not mandatory to have a production market barrow or production gilt entry to show.

You may identify five (5) divisions in FairEntry by July 1 and exhibit four (4) pigs in either the individual market gilt class, individual market barrow class, production market barrow class, production market gilt class, or commercial gilt class. Exhibitors may sell two (2) pigs in the auction. The extra pigs may be removed when released or when transportation is available.

Individuals may pick up the tags, both county and state fair tags; a tagger; and identification forms from the Extension Office on or after Monday, April 1st. It is important when you come to pick up tags that you know if you are exhibiting at the county level and/or the state level to insure proper tags are sent with you.

Extension and Outreach
Every June, almost 900 teenagers converge on the campus of Iowa State University for 3 days full of speakers, workshops, mixers, dances, a banquet, and community service activities.

If you've completed 8th grade, you're eligible to attend. You don't even have to be in 4-H to attend this conference! You will get to experience campus life and meet new people from across the state! You will be having fun while learning by doing, dancing the nights away, and serving the community. You will get to learn new things to take back to your community and school, and in the process you might even discover something new about yourself! There are opportunities for you to share your talents with the rest of the delegation through small group discussion, the Conference Chorus, and a Talent Show!

If you have a specific interest in animal science, you might want to look into becoming part of the ROUND-UP track! There are also workshop tracks that span all 3 days for certain topics if you'd like to study something in more depth. Or, you can choose different workshops each day to get more variety while you're on campus.

If you'd like to be part of the team to capture the Conference in photos, join our Iowa 4-H Youth Camera Corps, and bring your camera. We're doing things a little differently this year and you'll get to learn photo skills and put them to work through the workshop series.

Please join us in June for the most incredible three days of your life at the Iowa 4-H Youth Conference!

4-H/FFA Rabbit Hopping and Agility for 2019

Attention: Rabbit Project Members - the Des Moines County 4-H Program will again have a rabbit hopping and agility opportunity for you in 2019. In rabbit hopping & agility, you train your rabbit to hop a course full of jumps and agility pieces like hoops, tunnels, a teeter-totter, etc. In our first year there were 2 exhibitors with 3 rabbits and this year we hope to have more.

So if you would like to be a part of the rabbit hopping and agility fun, just call Mary at the Extension Office and sign up. Your cost will be $15 for the specially-made harness and leash (you get to pick the color). Mary will need to know the breed of your rabbit(s) so the harness can be made to fit properly.

Plans are to start practice in the spring. We will have a Bunny Boot Camp where you will be given training rules to start working with your rabbit. You will also get to take a portion of the jumps and agility pieces so you can practice at home. Last year we met together 6 times in June/July so most of the training is done at home at your convenience as everyone has busy schedules. We will have rabbit hopping & agility demonstrations and competitions at the fair that you can participate in which are lots of fun!

Join us...You will be amazed at what your rabbit can do!
