It’s That Time of Year Again!

It is 4-H enrollment time! Families are able to go into 4HOnline to enroll/re-enroll for the 2018-2019 4-H year. The credit card payment option, in 4HOnline, has been activated for enrollment/re-enrollment payments again this year. Families need to go to 4honline.com to sign in and re-enroll. To do this you must have your family email address and password available for use.

Clover Kids and New Members also need to fill out the new member enrollment in 4HOnline as well. All you need is an email address on file with the Extension Office and we will send you the help sheets to begin the process or go to: iowa4honline.com, select ‘Iowa,’ then select ‘I need to setup a profile.’

It is important that every family go online to re-enroll as this IS NOT an automatic process. We would like the process completed by February 15th, 2019.

As of November 30, 2018, I am proud to say that the Des Moines County 4-H program has 322 youth enrollments and 60 adult enrollments. These numbers are surpassing our enrollment at this time last year!

Keep those enrollments coming in as 4-H GROWS Here in Des Moines County!!!

MARK YOUR CALENDARS

Des Moines County 4-H Community Dinner and Live Auction
Thursday evening, March 14, 2019, from 5:00 - 8:00 p.m.
Barn on the Ridge 14133 Irish Ridge Road Burlington, Iowa 52601

Join us on Thursday evening, March 14, 2019, for our 6th Annual Des Moines County 4-H Community Dinner and Live Auction at Barn on the Ridge, 14133 Irish Ridge Road, Burlington, Iowa.

The Des Moines County Pork Producers are on board to serve up their delicious pork loins paired with cheesy potatoes, corn, rolls, homemade desserts (donated by all the 4-H clubs across Des Moines County), iced tea, lemonade, and water. Take out orders will also be available this year. Tickets are $10.00 for adults and $5.00 for school age children. Tickets can be purchased by calling the Des Moines County Extension Office at 319-671-7165 or outside the West Burlington area at 800-914-1914.

Steffes Group will be on hand to auction off the 2018 Des Moines County Scavenger Hunt Momma Pigs, athletic tickets, and a couple loads of gravel with trucking included, just to name a few items that have been donated for the evening.

All proceeds from the evening will go towards offsetting the 4-H enrollment fees of our Des Moines County 4-H members and supporting the 4-H program as a whole. The hope is, that one day, all youth interested in joining 4-H will be able to do so at no cost to them or their family. With your support of our 4-H Community Dinner, this vision can become a reality!
Program Activity Fees

The program activity fees are $35.00 this year. The Des Moines County Extension Council has graciously donated $10.00 per member and the Des Moines County 4-H Foundation is covering an additional $15.00 per member. The remaining $10.00 per member will need to be paid through the club. Ask your leaders how your 4-H club will be paying this fee.

The club program activity fees are due to the Extension Office, when received, but no later than May 15, 2019. No Exceptions!!! Leaders...please make out one check to the Des Moines County Extension Office. The due date is important to insure that all of our members are covered.

Don’t forget, if you are a Des Moines County Farm Bureau family you are eligible for the $10.00 per member benefit that Farm Bureau offers our 4-H members. To receive this benefit, it is the family’s responsibility to contact your local Farm Bureau office to request it. This needs to be done by December 15, 2018. Notice the Due Date to Farm Bureau!

ATTENTION: Beef Exhibitors - Market Beef Weigh-in

Market Beef Weigh-in is scheduled for Saturday, December 15, 2018, from 8:00-11:00 a.m. at the fairgrounds.

You must have calf registration number or Sire name and/or registration number if you plan to show in a registered purebred class. This information will ONLY be accepted at weigh-in.

Iowa State Fair Beef Exhibitors: We will be retinal scanning all market beef animals that will be participating at the 2019 Iowa State Fair. The cost is $8.00 per head.

AKSARBEN Exhibitors: If you are thinking about exhibiting at AKSARBEN, they have changed their format for registration and participation. Please check the AKSARBEN website for more information.

County Fair Only Participants:

Market Animals: Market Animals will be using the same procedure as last year.

Registered Animals: Registered Animals MUST have a legible tattoo before weigh-in, breed information, sire information, and/or registration number on December 15, 2018. Tattoos MUST be in place prior to weigh-in. The Beef Committee WILL NOT be available for this procedure.

Breeding Heifers: Breeding Heifers do not have to be weighed in, but they do need to be identified in 4HOnline before May 15, 2019, with a tattoo listed.

Remember...this weigh-in is for ALL registered market beef, crossbred market beef, market heifers, and returning bucket bottle calves. There has been some confusion in the past as to what animals are required to attend.

A waiver is not necessary if a member or parent is unable to attend. We ask that all families log into 4HOnline, after the first of the year, to verify that the information entered is correct. If there is an issue, give Mary a call before verifying.
Honing in on Horticulture

The Des Moines County 4-H program is excited to partner with our Des Moines County Local Foods Coordinator, Morgan Hoenig, to provide a two-part workshop where 4-H’ers will have the opportunity to “Hone in on their Horticulture Knowledge” and leave with a 4-H project ready to exhibit at the 2019 Des Moines County Fair.

Part 1: Succulent Workshop - will be held over Christmas break. Join us on Thursday, December 27, from 9:00 a.m. to noon, at the Extension Office in West Burlington. 4-H’ers may not know that House Plants must be owned by the exhibitor before January 31, 2019, in order to be exhibited at the Fair. This workshop will enable that requirement to be meet as each participant will leave with a Succulent Garden.

Part 2: Preparing for Fair 2019 - will be held on a date to be determined in the Spring of 2019.

The partnership that has been established with Morgan is a wonderful opportunity to learn the Horticulture requirements needed for the Fair, as Morgan is also one of our Gardening judges as well.

There is no fee associated with this workshop. Deadline to register is December 14, 2018. There is a limit of 20 participants for this workshop. If interested, please call the Des Moines County Extension Office at 800-914-1914 to get registered today.

Des Moines County 4-H Sewing Club

A new 4-H sewing club is being started in Des Moines County with the following goals:

- Fun with other 4-H’ers
- New and improved sewing skills
- Exhibits for the fair
- Community service projects

We will be meeting for the first time on Friday, December 28th, 9:00 a.m. at the Parish Center in Dodgeville, which is behind the church. Plans are to meet once monthly on a Saturday through the winter and spring.

At our first meeting/workday, we will find out if we have enough for an official club which is 5 members from at 3 families. If not, we will function as a 4-H sewing group that just gets together alot. Just come when you can.

We will be sewing at our first workday with everything provided, but bring scissors that you have labeled with your name. Lunch will be provided at noon and you can stay and sew until 3:00 p.m. if your schedule allows.

We welcome adults and older 4-H’ers to help us as we will need help with cutting, ironing, and pinning.

To sign up, please call Mary at the Extension Office, 800-914-1914, or Joyce Stover at 319-572-8115.
Citizenship Washington Focus (CWF) is a 4-H leadership program for high school youth (grades 9-12) celebrating 60 years of CWF in 2019! Each summer teens gather at the National 4-H Conference Center to learn what it means to be a strong leader in their community, country, and world.

Objectives for the program are: to strengthen communication, leadership, and other citizenship skills on a national level; to understand the importance of civic and social responsibilities as they relate to the development of better citizens and leaders; to exchange ideas, practice respect, and form friendships with other youth from diverse backgrounds; and to experience hands-on learning using the historical backdrop or our nation’s Capital City, Washington D. C. These objectives are met through pre-trip education, speakers, workshops, daily excursions to view national sites, a day at the Capitol with elected officials, and a delegate designed and implemented action plan. Plus Citizenship Washington Focus brings together 4-H members from across the country.

CWF is scheduled for June 14-22, 2019. Deadline to register is Tuesday, January 15, 2019. Space is limited to the first 48 delegate registrations. Trip cost is $1850. This includes all lodging, travel, tours, and a majority of the meals. A $650 non-refundable deposit is due at time of registration. The remaining balance is two payments of $600 each due by March 1 and April 15, 2019.

Contact the Des Moines County Extension Office if you are interested in this trip as financial assistance is available from the Des Moines County 4-H Foundation.

Registration can be found on the CWF webpage at: www.extension.iastate.edu/4h/cwf

Thank you!!!
4-H/FFA Rabbit Hopping and Agility for 2019

Attention: Rabbit Project Members - the Des Moines County 4-H Program will again have a rabbit hopping and agility opportunity for you in 2019. In rabbit hopping & agility, you train your rabbit to hop a course full of jumps and agility pieces like hoops, tunnels, a teeter-totter, etc. In our first year there were 2 exhibitors with 3 rabbits and this year we hope to have more. This is what we learned last year:

- It was so much fun.
- Rabbits are really, really smart.
- Rabbits either like to hop or they don’t. (Started with 4 rabbits and had a drop-out)

So if you would like to be a part of the rabbit hopping and agility fun, just call Mary at the Extension Office and sign up. Your cost will be $15 for the specially-made harness and leash (you get to pick the color). Mary will need to know the breed of your rabbit(s) so the harness can be made to fit properly.

Plans are to start practice in the spring. We will have a Bunny Boot Camp where you will be given training rules to start working with your rabbit. You will also get to take a portion of the jumps and agility pieces so you can practice at home. Last year we met together 6 times in June/July so most of the training is done at home at your convenience as everyone has busy schedules. We will have rabbit hopping & agility demonstrations and competitions at the fair that you can participate in which are lots of fun!

Hope you can join us. You will be amazed at what your rabbit can do!

4-H Healthy Living Club Challenge

**RACE ACROSS IOWA**

Challenge Kick Off: November 1st - May 31, 2019

Clubs take part in the challenge by introducing a variety of healthy living practices during club meetings each month. Completing the challenges earns the clubs "miles" as they race across Iowa throughout all 20 regions of the state. This 1,400 mile route destination sure fulfills the definition of a challenge, but by working together as a team and setting goals to incorporate healthy living practices each month, we hope to see you meet or surpass the final mile by the end of June!

If your club is interested in this challenge, please call the Extension Office for more information.
