Health Care Provider Disability Verification Form

All Iowa State University Extension and Outreach county users with qualifying disabilities requesting accommodations, or auxiliary aids from ISU Extension and Outreach ________ County are required to submit documentation of their disability to the county extension office to verify eligibility under the Americans with Disabilities Act Amendments Act (ADAAA of 2008), Americans with Disabilities Act (ADA of 1990), Section 504 of the Rehabilitation Act of 1973, and/or ISU Extension and Outreach ________ County office policies. ISU Extension and Outreach ________ County recognizes that accommodations may be requested orally, and/or in person, and up to the date of the event. However, the timing and manner of a request potentially reduces the county extension office’s ability to determine a reasonable accommodation. In that context, it is strongly recommended that county extension users initiate a request for accommodations, using this form and the Accommodation Request form, no later than 30 days prior to the event by filling out this form to assist the ISU Extension and Outreach ________ County office, in determining eligibility for reasonable accommodations (see below). If the county extension user requires assistance in filling out these forms that may also be requested.

Complete Section 1 below and have the physician or health care provider complete Section 2 and submit this Disability Verification form to ISU Extension and Outreach ________ County office.
