4-Her Highlight

Hello Leaders and 4-H Families!

My name is Josie Boyle. I am a senior at Western Dubuque High School and am a member of the Peosta 4-H Pals club. I was selected as a 2022 Herbert Hoover Uncommon Student Award finalist where I proposed a service project that involves providing wholesome, protein-rich foods to food-insecure families in our community.

I am working with Mr. Josh Jasper, the Founder and Director of Resources Unite, a non-profit organization in Dubuque, Iowa. Mr. Jasper states that food-insecure families in our area are in dire need of perishable, protein-rich products like beef, pork, chicken, milk, and eggs. I am donating several of my homegrown broiler chickens to Resources Unite to help fill this need.

I am also reaching out to the 4-H clubs and FFA chapters in Dubuque County to find others that are willing to donate some of their beef, pork, chicken, eggs, and/or money that will be used to buy milk to Resources Unite. By uniting the resources of several young agriculturalists, we can have a much bigger and broader positive impact in the local community!

Pertinent details:

- At the 2022 Dubuque County Fair Auction, I donated the proceeds from the sale of one of my pigs to this project. State Representative Shannon Lundgren purchased this pig resulting in a \$527 donation!

Anything helps! Examples of donations include:

- 10lbs of ground beef

- a ham

- a dozen eggs

- any other meat in your freezer

- Monetary donations are great! I am partnering with local businesses to purchase milk with all donations. (This is Resources Unite biggest need!)

- The (tentative) donation date is October 5th at Resources Unite. All donations must be to Josie by October 1st.

If you are interested in donating meat, eggs, milk, and/or money in ANY amount, please contact Josie at 563-451-4132 or josie.nicole0415@gmail.com
