Iowa Exhibitor Youth Code of Ethics

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do.

Any youth who breaks the Code of Ethics or allows another person (adult or peer) to talk them into violating the Code of Ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

- I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
- All exhibits will be a true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
- I will treat all people and animals with respect. I will provide appropriate care for animals.
- I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.
- All food animals that may be harvested immediately following the show shall be safe for consumers and shall have met all withdrawal times for all medications and be free of violative drug residue.
- If any animal requires medical treatment while at the fair or exhibition, only the Official Fair Veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
- My animal’s appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.
• I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
• I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the Premium Book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
• By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.
• I am responsible for my exhibit, and I will not allow others to violate this Code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this Code of Ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
• I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.
• I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco, or drug use.
• I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated.
• I have read, understand, and agree to follow this Code of Ethics, and any other rules of competition of the fair or exhibition as printed in its Fair Book.
Behavior and Rule Management

When Dubuque County 4-H members participate in events, including the Dubuque County Fair, there are rules and protocols in place to ensure safety and integrity for all participants. Sometimes 4-H members and/or families fail to abide by the Iowa Exhibitor Code of Ethics, the Iowa 4-H Code of Conduct for Youth/Families and/or event rules, which may lead to disciplinary action.

To ensure consistency and fairness, Dubuque County Extension follows a written process to respond to and resolve 4-H issues and complaints in a manner that teaches good character, life skills, and positive youth development.

Dubuque County Extension has a partnership agreement with the Dubuque County Fair Association. In the agreement, Extension has the ultimate authority and jurisdiction over the Dubuque County 4-H program; has final decision-making authority over rules and guidelines pertaining to all 4-H events and activities, including 4-H involvement in the Dubuque County Fair.

DUBUQUE COUNTY EXTENSION WILL:
1. Accomplish all Livestock weigh-ins according to state 4-H guidelines in Publication 4-H 202, Livestock Identification Forms, and the 4-H/FFA Code of Ethics.
2. All rules and guidelines must be in compliance with the overall Iowa 4-H exhibiting rules and guidelines.

CLASS 22041: Does under 5 months of age
CLASS 22042: Does 5 to 12 months of age
CLASS 22043: Does 12 to 24 months of age
CLASS 22044: Milking under 2 years of age
CLASS 22045: Milking 2 years old and older

*Age refers to the age of the animal as of show day.*

1. Exhibitors must identify their animals in 4hOnline 2.0 prior to May 15. Only animals identified in 4hOnline 2.0 and entered into FairEntry by July 1 are eligible for exhibition.
2. Exhibitors are limited to three (3) entries in FairEntry with no more than two in any one class.
3. Animals 24 months of age or over which have never freshened may not be entered.
4. Dairy goat entries should arrive Monday, July 25 before 12:00 PM.
5. The Dairy Goat show will be on Tuesday, July 26 at 9:00 AM. Dairy Goats will be released Thursday, July 28 at 4:00 PM.
6. Showmanship will have one class open to all dairy goat exhibitors.

**YOUTH WILL SIGN UP FOR SHOWMANSHIP DURING CHECK-IN AT THE FAIR.**
1. **4-H and FFA members must be enrolled in a Horse Project by May 15. Horse ID forms with pictures must be entered in 4hOnline 2.0 by May 15.**

2. All livestock must also be entered in their correct division and class in FairEntry by July 1 in order to be eligible for exhibition.

3. 4-H or FFA members may show up to three (3) equine, but only two (2) animals in each class. Only one (1) entry per exhibitor are allowed in Showmanship & Performance classes, with the exception of Western Riding. An exhibitor may have two (2) entries in Halter classes, Speed and Trail.

4. A member must own and take an active role in the management of the identified horses.

5. **Leased horses are not eligible to be exhibited in conformation (halter) classes because the 4-H or FFA member did not select the animal from others based on its conformation. They are eligible to be exhibited in showmanship, riding and driving classes, because these classes are judged on the 4-H or FFA member’s ability to exhibit the animal, not on the quality of the animal.**

6. Horses, ponies and miniature horses are expected to be in the assigned area on Tuesday, July 26 by 8:00 AM. The horse show will start at 9:00 AM. Horses should not be ridden on the fairgrounds. 4-H Horse & Pony Identification Forms and Drug Affidavits will be checked against the animal. A fair veterinarian will check the horse upon arrival. After vet check, exhibitors themselves must go to the check-in table to review their classes and make any necessary changes.

7. Drug affidavits are required for all horse exhibitors to have on file with the Extension office. It is recommended to complete forms prior to entering the fairgrounds.

8. If a horse becomes belligerent while at the fairgrounds, the horse committee, judge, and staff have the right to use their discretion to decide on disciplinary actions.

9. Horses may be warmed up and ridden ONLY by the 4-H or FFA member on the day of the show.

10. 4-H and FFA members may only compete in their own grade bracket.

11. Horses, ponies and miniature horses may be purebred, crossbred or grade.

12. Ponies must be under 57" in height unshod. Shod ponies will have 1/2" deducted from their height. Any animal 57" in height or taller will be shown in light horse class.

13. Age of the horse shall be computed as one year old on January 1, following date of birth.
   a. Foal/Weanling - born in the current year
   b. Yearling - born in previous year
   c. Example: if your horse was born in May of 2019, then that horse would be considered three years old as of January 1, 2022.
14. No showing of studs over weanling age, except miniature horses, who cannot show studs over one year of age.

15. Judging of entries in the halter classes will be based on the conformation, general appearance and action of the horse. Entries in the equitation/horsemanship classes will be judged mainly on the skills of the rider. Entries in the pleasure classes will be judged on the performances of the horse with rider. Separate entries must be made for each horse or pony exhibited in each class. Exception: only one entry per exhibitor in Showmanship & Performance classes, with the exception of Western Riding. An exhibitor may have two entries in Halter classes, Speed and Trail.

16. A horse or pony may not be shown in both Western and Ranch classes. If a horse is shown in Western Walk/Trot or Western Pleasure, it will not be allowed in Ranch Walk/Trot or Ranch Pleasure. An exhibitor may show in both Western & Ranch classes if using a different horse or pony.

17. Horse Sportsmanship is an award picked by a Horse Committee member and the judge. Each one will select three ID numbers. The one with the most points will be declared the winner. In the case of a tie, the winner will be randomly selected with Extension staff present. The Sportsmanship award will be judged by, but not limited to, the following: behavior inside and outside the ring, how the 4-H member treats his/her horse, if the 4-H member is preparing the horse to the best of his/her ability, how the 4-H member reacts and interacts with others, if 4-H member is still trying even if he/she may not be at top of their class, and most importantly, if the 4-H Member is having FUN! Horse Sportsmanship may be won multiple times by the same exhibitor.

18. Artificial hair pieces will be allowed in tails only. Body coloring is allowed as long as it does not change the natural color pattern of the horse. Hooves may be colored black or natural.

19. All 4-H and FFA members must wear an approved (ASTM or SEI) hard hat while mounted.

20. The following uniform must be worn by 4-H and FFA horse and pony exhibitors in all judged classes:
   a. Western Attire: Solid white or colored, button or snap front, long-sleeved, collared shirt is required. The following is prohibited: personalized logo, embroidery (excluding shirt brand logo), zippers, sheer or lace fabric, embellishments, bling of any kind, including but not limited to sequins, rhinestones, chains, etc. A necktie, kerchief or bolo tie are permitted, but not required.
   b. During game classes, a plain white t-shirt with a 4-H/FFA chevron or an official green or white 4-H/FFA t-shirt may be worn. No names on the backs of the shirts. Sleeveless shirts or blouses, etc. are not permitted.
   c. English Attire: Riders must wear coats, boots and breeches. Clean shirt with stock and pin or ratcatcher and choker preferred. Turtleneck sweaters or sweater vests etc. are not permitted. The coat should be any
tweed or melton (conservative wash jackets in season) acceptable for hunting. Breeches should be of traditional shades of buff, gray, rust, beige or canary (jodhpur included), and high English boots or jodhpur boots should be worn. Spurs of the un-roweled type, gloves, crops or bats are optional.
d. White, green or dark pants, jeans or slacks. Ripped, torn or damaged jeans are not permitted.
e. Boots are mandatory.
f. Cowboy/girl hats or helmets are appropriate attire for showing a horse at halter and showmanship.
g. The 4-H/FFA armband or chevron is mandatory and the armband MUST be worn on the upper left arm.

**Horse Identification Rule**
- Immediate family members (siblings/stepsiblings) can co-identify the same horse(s).
- Each horse must still be identified in 4hOnline 2.0 under each sibling/4-H member
- No change in rule that the animal is EITHER identified as 4-H or FFA, not both
- Siblings must both be in 4-H to identify the same horse
- The same animal will only be allowed to show in a class ONCE – for example, a 5th grade 4-H member cannot show a horse in barrels, and the 8th grade sibling show the same horse in barrels; however, the other sibling could show that same horse in pole bending for example
- Reminder: Each 4-H member will still be allowed to ID a max. of 5 horses; of those 5, a max. of 2 can be leased – halter horses are NOT allowed to be leased and must be owned.

**SHOWMANSHIP AT HALTER**
Champion and Reserve Champion Showmanship will be selected from the following:
- Master Showmanship (Champion Class)
- Senior Showmanship (grades 10, 11 & 12)
- Intermediate Showmanship (grades 7, 8 & 9)
- Junior Showmanship (grades 4, 5 & 6)
- Novice Showmanship (first year member showing)

Exhibitors can only compete in one showmanship division. The animal must be the exhibitor’s own animal. The committee reserves the right to break classes due to participation. **YOUTH WILL SIGN UP FOR SHOWMANSHIP DURING CHECK-IN AT FAIR.**

Novice Showmanship is open to all first-year horse exhibitors. Master Showmanship will be for those Exhibitors who have previously won Champion Showman in their age group and who are not yet eligible to move up to the next
age group. Exhibitors can win Champion Showmanship only once in each age division and can participate only in their age group.
