

Enrolling in 4HOnline

Before You Start

Internet access is required for enrollment. A family record must be created before an individual (youth or adult) record can be entered. If a family is unable to enroll themselves for any reason, they should seek out assistance from the county extension office.

1. Enter <http://iowa.4honline.com>. Select "I need to set up a profile". Enter the login information and click Create Login. If an error message is received, please contact the county office.

Do not use the "I need to set up a profile" link. Creating a new profile will cause a duplicate record and delay your Re-enrollment. If you can not remember your Family E-Mail contact your county Extension office for assistance.	After you've contacted your county Extension office to learn whether new families can set up their own accounts, select "I need to set up a profile". Find more information about enrolling using 4hOnline.	Spanish language enrollment in Iowa 4-H Online is not yet available. Use the links below to download Spanish language enrollment documents.
