

PUREBRED REGISTRATION PAPERS

As a reminder to all livestock exhibitors, registration papers are **REQUIRED** for purebred animals at the time of check in and these will be final. **Per the Fair Book, registration papers MUST be in the name of the exhibitor or in partnership with family and MUST match the animal.** Breed animals with no proof of registration will be shown in the commercial/crossbred class. Electronic copies are accepted.

As we are short-handed this fair, we will not come find you if we do not have your registration papers by the end of each species designated check-in time.
