Iowa Youth Code of Ethics

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the Code of Ethics or allows another person (adult or peer) to talk them into violating the Code of Ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions. Youth agree to follow these guidelines: 1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me. 2. All exhibits will be a true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited. 3. I will treat all people and animals with respect. I will provide appropriate care for animals. 4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition. 5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of violative drug residue. 6. If any animal requires medical treatment while at the fair or exhibition, only the Official Fair Veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used. 7. My animal’s appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition. 8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation. 9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the Premium Book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition. 10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise. 11. I am responsible for my exhibit and I will not allow others to violate this Code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this Code of Ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition. 12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome. 13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use. I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this Code of Ethics, and any other rules of competition of the fair or exhibition as printed in its Premium Book.
General Rules for ALL Exhibitors

1. Exhibiting at the Pottawattamie County Fair is limited to active 4-H and FFA members from clubs and chapters located in the county which include: Botna Valley Achievers, Botna Valley Achievers Clover Kids, Buffalo Buds Clover Kids, Carson Commanders, East Pott Hot Shots, Independent 4-H Members, Riverside Technics, West Nishna 4-Hers, West Nishna Clover Kids, Westside Feeders, Westside Clover Kids, AHSTW FFA, Riverside FFA.

County Fair Youth Day

County Fair Youth Day will be held in on the Pottawattamie County Fairgrounds in the middle area of fairgrounds in grass on Saturday, July 21 from 2-4pm. All active 4-H Clubs and FFA Chapters will be
encouraged to participate in County Fair Youth Day. Clubs and chapters may plan an activity similar to a working exhibit or a game for all East Pottawattamie County youth to stop by and participate in.

Clubs and chapters must sign up at the Extension Office by June 28!

4-H Food Stand

All 4-H clubs are required to work at the 4-H Food Stand during the county fair. The proceeds benefit all fair activities and awards. One adult must be present in the 4-H Food Stand at all times during your club shift. Clubs should be present at the food stand 15 minutes before your shift begins. When your club shift is over, a cleanup checklist must be completed and signed by those working. The first shift of the day will be required to complete & sign the opening checklist; the last shift of the day will be required to complete and sign the closing checklist. If your club is not able to work one of your assigned shifts, leaders may switch shifts. Please discuss this between leaders and then inform the Extension Office.

**2018 Health Requirements for Exhibitors of Livestock, Poultry, and Birds at the Pottawattamie County Fair**

1. Any evidence of warts, ringworm, foot rot, pink eye, draining abscesses or any other contagious or infectious condition will eliminate animal from the show.

2. No individual Certificate of Veterinary Inspection will be required on Iowa origin animals or poultry exhibited at County 4-H/FFA Fair, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. Each show must have an official veterinarian.

3. Quarantined animals or animals from quarantined herds cannot be exhibited.
4. For swine originating outside of Iowa: All exhibitors must present a test record and Certificate of Veterinary Inspection that each swine has had negative test of pseudorabies within 30 days prior to show, regardless of the status of the herd, and the show individual official identification. Electronic identification will not be considered official identification for exhibition purposes.

5. All sexually intact sheep must have an individual Scrapie Flock of Origin identification tag. All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag or by an official tattoo registered with USDA (to register, call 1-866-USDA-TAG)

6. All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or must have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. Please note: Poultry purchased from a hatchery and raised for exhibition are not exempt from Pullorum-Typhoid testing requirements.

7. All dogs and cat exhibited must have a current rabies vaccination certificate.

8. Dogs must have distemper, hepatitis, leptospirosis vaccination at least 21 days prior to show.

9. Cats must have feline calici, rhinotrachetis, and panleukopenia vaccination within the past year, but not less than 2 weeks before the show.

10. Cats must be declawed or nails freshly trimmed.

DECISION OF OFFICIAL VETERINARIANS WILL BE FINAL.

Animal Department

1. All market animals must be identified as a 4-H or FFA project at weigh-in or when identified for non-market and are not to be exhibited at any county fair prior to Pottawattamie county Fair.
2. Entry deadlines are final. Projects to be shown at county fair must be properly identified by their individual deadlines. Animals not matching ID will not be shown.

3. All livestock exhibitors will be required to sign a code of conduct, an affidavit and statement of disclosure to be eligible to exhibit at the Pottawattamie County Fair.

4. All animals must be owned by the exhibitor or in partnership with family with exceptions of horse and feeder calves.

5. No diseased animals will be housed on grounds. All animals must meet health requirements by the official vet.

6. All animals will be required to check in at their scheduled check in time or exhibitors may sign up to check in during early livestock arrivals with the fair vet on Tuesday, July 17, 2018 from 6:00 – 8:00pm. NO early arrivals will be allowed.

7. Substitute showmen will not be allowed unless the exhibitor is showing two or more animals at the same time. Showmen and assistants must be current Pottawattamie County 4-H or FFA exhibitors. Medical reasons must be approved ahead of time.

8. Any medications administered at the Pottawattamie County Fair must be administered by or in cooperation with the official fair vet.

9. No unnatural means of providing an animal feed or water (stomach pumping, etc.) will be allowed except by order of official fair vet.

10. FSQA certification is required for all county level exhibitors in beef, swine, sheep, goats, poultry, rabbits prior to submitting fair entries.

11. All animals that lose an ear tag must notify the Extension Office ASAP. Animals must be retagged before county fair.

---

Provide an opportunity for 4-H’ers to share their skills and talents before an audience purely for the sake of enjoyment
Registration must be complete on FairEntry by June 7th.
   1. Share-the-Fun will be presented on Thursday, July 19, 2018 at
6:00pm during Family Night on the fairgrounds.

2. Skits, songs, stunts, short one-act plays, dance, and other entertainment will be acceptable. All performances must be appropriate for presentation to a general audience.

3. **Share-The-Fun performances must not exceed eight minutes in length.**

4. ISF Eligibility: 4-H’ers who have completed 5th grade through 12th grade (or that equivalent) in 2018. Exception: If the Share-The-Fun act involves a whole club, the following criteria must be applied to determine if the club can be entered in the Share-The-Fun Program at the Iowa State Fair:
   At least 80 percent of the performing group must have completed 5th through 12th grade in 2017.

### 11400 Extemporaneous Speaking

Encourage the development of communication skills by providing an opportunity to think, organize thoughts, prepare a speech, and respond to questions when given a limited amount of preparation time.

Registration must be complete on FairEntry by June 7th.

1. Extemporaneous Speeches will be presented on Thursday, July 20, 2018 at 11:30am in the White Judging Building on the fairgrounds.

2. Participants must be senior 4-H’ers - completed 9th through 12th grade (or that equivalent) in 2017.

3. Program format:
   a. Thirty minutes before the program, each participant will draw three of the available topics, selecting one to speak on.
      - The selected topic will not be available to the other participants in the speaker’s assigned room. The general nature of the topics will relate to 4-H. The other two topics drawn but not chosen will be returned to the available topics for the other participants.
   b. A preparation room is to be used with one participant per speaking site admitted initially and one additional participant per speaking site admitted each 15 minutes as the program progresses. A participant may not leave the preparation room until it is time to speak, nor may a participant receive help from a parent, leader, other adult
or any other youth. A program official will assist participants with the time requirements.

c. All reference material will be screened by a program official on the following basis:
   • Participant may bring his/her own books, magazines or newspaper clippings for reference during the thirty minutes of preparation.
   • Reference material must be printed material such as books or magazines (cannot be notes, outlines or speeches prepared by the participant or by another person for use in this program).
   • Some relevant reference material will be available in the preparation room. This material will consist of historical material related to the 4-H program.

d. Each speech shall be the result of the 4-H’ers own efforts using approved reference material that a participant may bring to the preparation room. No other assistance may be provided. Plain note cards will be provided for each participant in the preparation room. If notes are used, the note cards provided must be used in delivering the speech.

e. Only notes made during the preparation period may be used.

f. Each speech shall be not less than four but no more than six minutes with five minutes additional time allowed for related questions, which shall be asked by the judge. The participant will be shown time cards in an ascending order (1, 2, 3, 4, 5) by the time keeper. “Stop” will be said at six minutes.

g. The program timekeeper will introduce each participant by name and the county he/she represents. The participant will be expected to introduce his/her speech by title only.

h. Participants are not permitted to use any props, gadgets, posters or audiovisuals of any sort. A podium not will be available.

3. Speeches will be evaluated using the following criteria:
   a. Content related to topic.
   b. Knowledge of the subject.
   c. Organization of material.
   d. Power of expression.
   e. Voice.
f. Stage presence.
g. General effect.
h. Response to questions.

4. A judge’s critique/conference with each participant will be included as a part of the program.

Shooting Sports

Superintendent: Steve Meek
Registration must be complete on FairEntry by June 7th.

1. All rules of the National 4-H Shooting Sports will apply, as well as the general county fair exhibitor rules.

2. Participation: A. 4-H Membership – All 4-H Shooting Sports members in good standing and meeting the criteria below are eligible to compete in 4-H shooting sports events, subject to limitations imposed by the specific event and the rules for active membership instituted by their state. Official 4-H enrollment is required. B. Age Requirements – Participants must have passed their 14th birthday by January 1 of the current year and may not have passed their 19th birthday before January 1 of the current year in which the National 4-H Shooting Sports Invitational is held. C. Official Entry – Participants and teams must be approved as the official entry by the State 4-H Program Leader or his/her designee. The selection of participants is at the discretion of the State 4-H Program, or the Land Grant University, in which the 4-H Shooting Sports Program resides. A state event is not required to select participants for the national event. D. Individual Participation – All individuals participating as team members are competing concomitantly as individuals. Where teams cannot be formed, individual participants may compete in the National 4-H Shooting Sports Invitational for individual awards and recognition. E. Team Composition - Teams are composed of no less than 3 and no more than 4 individuals. Each land grant university, operating a state 4-H Shooting Sports Program, is limited to one team per discipline, with a maximum of 36 participants overall. F. Team Representation - No participant may be a member of more than one team or represent more than one 4-H Shooting Sports program in the national event. This does not preclude individuals who change residences and are otherwise eligible from participating as members on any team in 4-H events after meeting the eligibility requirements of the sponsoring 4-H Shooting Sports program. G. Event Participation – Each of the nine disciplines in this competition includes three different events. A given team or individual is restricted to participation in the events in only one discipline in any annual National 4-H Shooting Sports Invitational, i.e. no individual may compete in more than one discipline in any given 4-H Shooting Sports Invitational. Participants are expected to complete all
individual events in the discipline they represent. H. Repeat Participation - An individual may enter the National 4-H Shooting Sports Invitational repeatedly, through the processes of selection used in their home state. They may participate in an event in which they qualified if they have not previously competed in that discipline in a prior National Invitational, i.e. they may represent their state in a given discipline only once. I. Substitutions - A team may send a substitute for a registered participant who is unable to attend the Invitational. Substitutes will be accepted until the state contact picks up the official registration materials at the Invitational. Substitutes must have the written approval of the state Shooting Sports Coordinator and meet all eligibility requirements for participation in the National 4-H Shooting Sports Invitational. J. Post-Secondary Restriction – Participants may not represent their state in any discipline in which they have engaged in training or competition at the post-secondary level. Thus, members of club or NCAA competitive teams disqualifies otherwise eligible 4-H members from participation in that discipline in the 4-H National Invitational. For example, training as a member of a rifle, shotgun or archery team, either as a club sport or as a NCAA sport, and representing that college or university disqualifies the member from competing in related events at the National Invitational. 3. Scoring: No alcohol, tobacco or other drugs will be allowed in ANY 4-H/FFA exhibit or judging area 25 Because of the desire for each event and discipline to have equal standing in determining “overall” awards, various methods of scoring have been used. Whether raw scores, placement points or percentage points are used in determining awards at the 4-H National Invitational...none is perfect. This is because of three different shooting events for each team category; each with varying degrees of difficulty, different scoring opportunities within each event (0 or 1 for silhouette vs. 5,6,7,8,9 or 10 on bull’s-eye targets), and varying raw score potential (i.e. 600 points for smallbore 3P compared to 40 points for silhouette, and large differences in participation numbers). Additionally, there are 9 different divisions or categories for competition. Therefore; the national steering committee has decided to modify the scoring used in previous years and take advantage of multiple scoring methods in the attempt to be as fair and equitable as possible. Please read closely as the scoring methodology is explained. • Daily individual awards - Raw scores and
appropriate tie-breakers are used in determining placements in the daily events. (Highest score wins) • Daily team awards - The top 3 individual raw scores of each team are used in determining team placements. If a team has 4 members, the lowest score is dropped. If a team tie exists, only then will individual tie-breakers be used. • Overall Individual Awards - are determined by percentage points (%) score in all 3 events, not by cumulative raw scores. • Overall Team – will be determined the total of all three (3) daily team percentage points. • Davison Award – determined by placement points. After overall team awards are determined, each team will be assigned a placement point (as in the past). The highest total of placement points determines the state sweepstakes award. 4. Percentage Points (%) Percentage scoring can help equalizes the point differences between events. For example: a raw score potential of 40 in smallbore silhouettes compared to 600 points in 3P. It also better reflects the relative excellence of competitors compared to placement points. Example: Air Pistol -slow fire bull’s-eye (400 pts.). Raw Score Placement Pts. % Mod % Competitor A 1st 376 pts. 18 .9400 1.000 Competitor B 2nd 360 pts. 17 .9000 .9574 Competitor C 3rd 359 pts. 16 .8975 .9548 In this example, a placement point differential of (1) is the same when A is compared to B - 376/360(14 pts. raw score) as well as when B is Compared to C - 360/359 (1 pt. raw score). Most people feel that relative excellence should be considered when determining High Overall Awards within a shooting discipline/category. The percentage scoring method permits this. A modified % will be used at the National Invitational. Using the highest score recorded for a particular event as the baseline rather than the “perfect” score helps in equalizing the various difficulties of different daily events. Modified % Formula: Individual Score = % score Highest Score Percentage scoring is also a better alternative for determining for High Overall Individual awards because tie-breakers will not affect the result as does placement points. 5. Placement Points Placement points are used to provide equal status among the categories of competition. Each discipline is awarded the same standing for team placements in each event. This is the same method used in other multiple event team competitions such as swimming and track & field. This permits comparison across disciplines on an equal standing for determining the Tom Davison Award. No alcohol, tobacco or other
drugs will be allowed in ANY 4-H/FFA exhibit or judging area 26 Actual point value of each team placement at the National Invitational is determined by the discipline/event with the highest number of registered teams. Example: if Shotgun has the greatest number of teams (21), placing points for teams in all events will be 21 points for 1st, 20 points for 2nd, 19 for 3rd, etc. Placement points are awarded after team ranking is determined by the percentage method. 6. Ties will only be broken to determine top 10 individual awards and top 5 team awards. Each event has its own specific method for breaking daily tie scores. Ties for high overall individuals and high overall teams by percentage points will be broken using the placements in events. 7. Health and Safety A. Medical Consent Form and Adult Supervision It is the responsibility of each team to have the appropriate state health consent and release forms for each participant. An adult supervisor or coach must be present at each event site with immediate access to those forms during events. They must also have access to them in off hours. B. Safety Safety is the first priority for range staff, participants, coaches, and spectators. Standard and accepted range and shooting safety rules will be followed at all times. Any site specific safety considerations will be announced at the appropriate venues. Match Directors, Range officers, or other event staff may caution, warn, or eject any person on any range for unsafe behavior. Such ejection may result in forfeited scores, disqualification or ejection from the grounds. Any spectator contributing to unsafe behavior or rules violations may be barred from the ranges by staff or event management at any level. C. Ranging, Walking or Previewing Ranges In any contest where estimating ranges is inherent in the contest, use of range finders, previewing ranges, communicating distances to later competitors or similar actions is not allowed. These actions are grounds for disqualification for any individual or team involved. D. Eye and Ear Protection Requirement 1. Eye Protection: Adequate eye protection (shooting glasses, safety glasses or safety goggles, or hardened prescription glasses are required for all competitors in black powder, pistol, rifle, and shotgun games. This includes hunting live fire events. Such protection is strongly advised for archery events as well. Coaches or spectators on or near firing lines are subject to the same requirements. 2. Ear Protection: In hunting live fire, muzzle loading, shotgun, smallbore pistol, and smallbore rifle, all
competitors and those on firing lines must have adequate hearing protection. Where electronic hearing protection is used, it may not include radio or similar broadcasts as background noise, since that could interfere with range commands. This protection is strongly advised for spectators who are close to such ranges. Class 900 – Archery Friday, July 21, 2017 Contestants may use either a compound bow or a long bow or a recurve, with a separate class for each. Division 1 – Junior Division 2 – Intermediate Division 3 – Senior Class 901 – Pellet or Air Rifle Friday, July 21, 2017 Shooters may use any club rifle or any rifle that is a .177 caliber. Shooters will compete in 4 categories: kneeling, sitting, standing, and prone. Division 1 – Junior Division 2 – Intermediate Division 3 – Senior No alcohol, tobacco or other drugs will be allowed in ANY 4-H/FFA exhibit or judging area 27 Class 902 – Shotgun-Trap Sunday, July 16, 2017 Shotgun-Trap Youth need to be 11 years old to participate in shotgun. To be involved in competition, youth must be 12 years old as of January 1 of the current year. All Shotgun shooters must have shot a minimum of 50 targets on a regulation trap range. 1. All shotguns must remain unloaded and actions open until the shooters are on the line ready to shoot. (Break action shotguns may have the actions closed when they are in the rack.) Violation of this rule may subject the shooter to immediate disqualification. 2. Any portion of the muzzle shall not be allowed to come into contact with any portion of the competitor’s body (i.e. Toe rests are not allowed). No shoulder carries for shotguns. 3. All persons including competitors, scores and personnel are required to use eye and ear protection. 4. Any shotgun 12 gauge or smaller may be used. Ammunition will not exceed a shot charge of 1 1/8 oz or a velocity of 1290 ft per second (see ATA rules for other loads). Shot size will be US 71/2 fine or smaller. 5. Competitions shall consist of 4 continuous 25-shot rounds. Bring the appropriate equipment, including ammunition, to the line with you. 5 minutes between rounds maximum. 6. A broken target (hit) shall be one that has been struck by a shot pattern and from which a visible piece (or pieces) has been broken from the target or the target has been completely reduced to dust. A change in direction or dust coming off a target with no visible broken piece shall be considered a lost target (miss). All lost targets shall be called immediately by the scorer. 7. If a shooter thinks that the scorer has miscalled a lost target (miss), the shooter must immediately protest.
the call to the line officer. The outcome of a challenge of a score will be determined by the line officer, the scorer and the puller (if used). 8. Shooters cannot insert a live round in their firearm until the person before them discharges their firearm. 9. Shooters are allowed two misfires or gun malfunctions per round. Any malfunctions, including choke tubes, must be reported to the line officer immediately. Subsequent misfires will be counted as a lost target. Failure to fire will be scored according to ATA rules (F1 and F2 in the target square and at the total square). 10. Shooters cannot move from their station until the scorer calls for a move, or the last shot of the round has been fired. Shooters need to refrain from any movement that would distract any shooter on the line. 11. All shells must be picked up on the range when finished shooting. 12. All official protests must be immediately made by either the team captain or the individual shooter. Such protests must be made before the team or individual leaves the line. 13. All ties (both team and individual) shall be broken by shooting a tiebreaker from the 21 yard line. Both team and individual tie-breakers shall consist of five targets from stations 1 and 5. The individual with the highest score after the tie-breaker shall be given the tie. Further shoot offs will be a follow-the leader from the 27 yard line. Miss and out, unless all shooters miss. 14. Teams unable to field the original team members for a tie-breaker shoot off shall forfeit the tie. 15. Individuals unable to shoot in a tie-breaker shoot off shall forfeit the tie. 16. Spectators and/or coaches are not allowed on the line during record firing. This is a 4-H shoot. Contestants are responsible for their own scores. No coaching is allowed when shooters are on the line. 17. No release triggers are allowed. No alcohol, tobacco or other drugs will be allowed in ANY 4-H/FFA exhibit or judging area 28 18. Relay time is 20 minutes per round. Shooters should report 30 minutes before their scheduled time. 19. COF for Trap is 100 shots. Event: Standard ATA (American) Trap at 16 yards Course of Fire: 4 rounds (100 targets) consisting of five targets from each of five shooting stations at 16 yards. Shoot-Offs: Five target each from stations 1 and 5 from the 21 yard line. Management my increase the distance to 27 yards if required to break ties. Delay of Match: No shooter, coach, or spectator shall delay or interrupt the match. Shooters will take the field when called, call for targets, and fire in an expeditious manner avoiding unnecessary delay. Shooters must be available and
ready to take the field 30 minutes prior to their scheduled time. Time
Limit: participants will shoot in an expeditious manner, avoiding
unnecessary delay. Tie Breakers and Scoring: Tie break will be done by
shoot off (as described above) to establish the top individuals.

Equipment: Any shotgun 12 gauges or smaller firing target ammunition
for that gauge with a maximum load of 1 1/8 ounce of size 7 ½, 8, 8 ½,
or 9 shot may be used. Factory loads are required. Moving between
stations: Shooters shall move to their next station upon completion of
the final shot on each station and the referee’s command. In the
rotation all shooters shall move to the right except for the shooter on
station 5, who will move to station 1. No shotgun will be loaded and
closed until that rotation is complete. Rules: (ATA) Amateur Trap
