2022 Fair Wrap Up

Congratulations to all those who participated at the fair this year! Your hard work, dedication, and ambition could be seen by everyone who came to support and see our fair this year. Thank you all for working so hard to put on a great fair that showcases what 4-H is all about! We must also remember to thank all the volunteers, donors, supporters, and family members that helped during fair time and throughout the entire year! The fair is such a special time. The fair is a chance to show off the skills 4-H and FFA members have learned throughout

the year and even educate others about those projects. It is a great reminder how important the fair is for bringing people together, whether they are from a different town or even a different club or program.

For those who received banners/awards and those who went through the auction, please make sure you are sending thank you's to sponsors/donors! If you are unsure of who to send a thank you to, contact the extension office and we can get you their information.

Good luck to those that are participating at the Iowa State Fair and the Clay County Fair!

Record Books

Now is the time to get started and dive right into working on record books!

Record Books are due **SEPTEMBER 1st** to club leaders!

Stop by the extension office to pick up record book and awards forms.

Can't make it in? Not an issue, contact the office via email or use the following link to print from home!

If this is your first year for a record book or would like help remembering all the forms needed, we will be having a record book help day on August 15th. Stop by anytime and we would be glad to help you out!
