Code of Ethics

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the Code of Ethics or allows another person (adult or peer) to talk them into violating the Code of Ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Emmet County Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other's work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
3. I will treat all people and animals with respect. I will provide appropriate care for animals.
4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.
5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of violated drug residue.
6. If any animal requires medical treatment while at the fair or exhibition, only a licensed veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
7. My animal's appearance or performance shall not be altered by any means, including medication, external applications, and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.
8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.
11. I am responsible for my exhibit, and I will not allow others to violate this code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.
13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco, or drug use.

I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand, and agree to follow this code of ethics, and any other rules of competition of the fair or exhibition as printed in this premium book.

Code of Conduct for Youth and Parents

The Iowa 4-H Code of Conduct applies and will be enforced with 4-H youth, 4-H parents/guardians, and 4-H families.

- While participating in or attending a 4-H sponsored program (e.g. club meeting, project meeting, activity, event, learning opportunity).
- While participating in or attending a 4-H event or while on premises used for 4-H purposes (e.g. County Fair, State Fair, show ring, exhibit building, barn, food stand).
- While representing Iowa 4-H to the public
- Additional programs, events, or opportunities may have additional rules and expectations.
- At all times throughout a 4-H youth's participation when behavior outside of the Iowa 4-H puts youth at risk or has the potential to put youth at risk.

The opportunity to participate in and/or volunteer with Iowa 4-H is a privilege and honor, not a right. All youth participants and parents/guardians supporting their child's participation in 4-H are expected to review and agree to abide by the Iowa 4-H Code of Conduct before becoming involved with Iowa 4-H.

1. I understand that the Iowa 4-H Youth Development program is a non-formal education program in which I have a choice to participate. I accept my responsibility to engage in program activities and to excuse myself from this program if it does not meet my personal learning objectives. I recognize the organization has the responsibility and authority to remove youth who are disruptive to the 4-H Youth Development program, violate the Iowa 4-H Code of Conduct, the standards of the 4-H Pledge and Motto or federal, state or local laws.
2. I accept my responsibility to represent the Iowa State University Extension and Outreach 4-H Youth Development program by holding myself to the standards of the 4-H pledge and motto. I will refrain from behavior that negatively represents myself, my family, my community, 4-H or Iowa State University. I will act in a respectful and responsible manner during all 4-H programs.
3. I acknowledge that the 4-H program utilizes competition related to project work as a tool for learning. I will ensure that my project exhibits are appropriate and respectful. I will demonstrate good sportsmanship, encourage this behavior in others, and not allow this behavior to detract from the learning experience. I will not let my personal desire to win overshadow the needs of the group.
4. I accept my personal responsibility to be informed and follow the policies, rules, and deadlines established by Iowa 4-H. I will not cheat, lie, knowingly furnish false information, deceive, or otherwise engage in dishonest, unethical or illegal behaviors. I will not encourage others to disregard or intentionally violate conditions of Iowa 4-H participation.
5. I will comply with directions of 4-H officials acting in the performance of their duties. I will not obstruct or disrupt any 4-H program or encourage others to engage in such conduct. I understand that a judge's decision is final.
6. I will strive to be a positive role model. I will treat youth, parents, volunteers, extension and outreach staff, judges and others with respect, courtesy and consideration.
7. I will communicate (oral, written and electronic) in an open, honest, respectful manner in all situations involving the 4-H program. I will refrain from communication that is negative, offensive, destructive or hurtful to others. I will refrain from sharing private matters in a public group setting.
8. I will promote a spirit of inclusion and welcome participation of individuals from all backgrounds. I will not engage in or tolerate harassment in any form, (For example bullying, slander, put-downs, insults, taunting, name calling, yelling, profane language, sexual innuendos and other comments or hostile behaviors likely to offend, hurt or set a bad example.)
9. I will ensure a safe environment for myself and others by not carelessly or intentionally harming youth or adults in any way: emotionally, mentally, physically, socially, verbally or non-verbally.
10. I will not possess, offer, or use tobacco, electronic smoking devices (including but not limited to e-cigs, vapes, juuls), alcohol or illegal substances. I will not attend 4-H programs under the influence of alcohol or any illegal substance.
11. I will respect the property of others. I will not use, abuse, or take another individual's personal belongings. I will not damage facilities.

Infractions to the Iowa 4-H Code of Conduct will be addressed by the Iowa 4-H Program, the local County Extension District, or their appointed representatives. Infractions to the Iowa 4-H Code of Conduct will result in consequences. The consequences may range from a verbal warning to the loss of privileges (e.g. participation at the event or future events, forfeiture of awards or other forms of recognition, forfeiture of positions of leadership, limitation on volunteer responsibilities) to full removal from the Iowa 4-H Program

4 Meeting Rule Policy

Any Emmet County 4-H member who is in good standing and eligible to participate in the Emmet County Fair must meet the following criteria:

- 4-H Program development fee is paid to the County Extension office (member dues)
- Successfully met all the required deadlines
- Compliance with the meeting attendance requirement, 4 club meetings by June 30.
- Individuals exhibiting livestock must have their YQCA training completed by July 1st.
- 4-H members that have no more meetings in their club, are not allowed to attend another club to get their last meeting.
- July meeting will not count as one of the four required meetings.

All decisions made by the Emmet Extension Council are final. If clarification or reasoning needs to be communicated, a formal statement can be requested from the council.

Special Accommodation Request

The Emmet County Fair Board and Iowa State University Extension and Outreach of Emmet County strive to make its programs and events accessible to all citizens who are otherwise eligible to participate in the activities. Reasonable accommodations are often possible for persons with disabilities who wish to participate, so long as the accommodations do not fundamentally alter the nature of the program, cause undue financial burden, or otherwise cause a direct threat to the health or safety of others. Please know that while not all specific requests may be approved, the Emmet County Fair Board and Extension and Outreach Staff will work with the participant to identify other accessible means to participate.

An individual requesting accommodation to participate in the Emmet County Fair should submit a completed Special Accommodation Request Form (available at the Emmet County Extension Office) to the Extension Office, (26 S. 17 St., Estherville). Because it can take time to plan for some accommodations, it is requested that the form be submitted six (6) weeks prior to the event or activity. Submitting a Request for Services on short notice may reduce or limit the ability to implement the accommodations.

Protest Policy

The Fair Board has adopted the following Protest Policy:

1. All protests must be made in writing and accompanied by \$100.00 cash deposit to the Fair Board office, which will be forfeited if the protest is not sustained.
2. Such protests must state plainly the cause of the complaint or appeal, and must be filed with the Fair Board Office in the Tuttle Lake Building within 12 hours of the cause of protest.
3. The board will consider no complaint or appeal based upon the statement that the judge or judges are incompetent.
4. Where the protest is to be made against the competition of an animal or article in any class, notice of the same should be filed with the Superintendent of the department before the class is passed upon, that the judges may be instructed to place a reserve award, that the premiums may be properly distributed in the event of the protest being sustained.

- The person(s), exhibitor, or agent of the same, who the protest decision is rendered against shall pay all costs incurred in resolving the protest, including fees paid to persons hired by the board to test, investigate, and evaluate the animal or article that has been protested.

Substitute Showman Policy: Excusing a member from personally exhibiting his or her animal(s) defeats one of the important objectives of 4-H work. Hence, we are requiring livestock exhibitors who know in advance that they are not going to be present or are unable during the fair to show their own animal(s) to file a letter requesting a substitute showman no later than **July 10th** to the Emmet County Extension Office. In this letter, exhibitors are asked to name a substitute showman. The substitute showman must be an eligible Emmet County 4-H/FFA member in grades 4th-12th. Exceptions for the July 10th deadline will include injury, serious illness, bereavement, other state 4-H/FFA activities, unforeseen events, or other extreme emergency situations. Exceptions will be taken up until one hour prior to the start of the respective animal show with a contact made to the Extension 4-H Office at the fair. The respective livestock committee reserves the right to accept or reject any application.

Substitute Showmanship Policy: In order to participate in a livestock showmanship class (not including Supreme Showmanship), you must have the animal registered and present at the fair in your name.
14. Exhibitors with one animal per class must show their own animals. If they have more than one animal in a class, an Emmet County 4-H or FFA member, in grades 4th-12th, may assist, with prior approval by the superintendent of the department at the time of the show.
15. All exhibitors (except dog, horse, and pet exhibitors) must have current YQCA certification completed by **July 1st**.
16. Livestock committees/superintendents of each division shall have complete charge of all entries in their division. They may rule ineligible any exhibitor not present when classes are called for judging.
 - 1) Livestock Committees reserve the right to break classes at their discretion.
17. Only exhibitors and authorized fair officials may be in the show ring during the livestock shows. If this is an issue, you will receive a verbal warning and may be subject to disqualification, unless special need accommodations are requested and approved.
18. Every effort will be made to protect exhibitors, spectators, and livestock from accidents. The Emmet County Fair Board of Directors, however, or any other fair official will not be liable for accidents. A watchman will be provided Wednesday through Saturday nights.
19. All classes will be placed by a judge in blue, red, and white ribbon groups according to merit/quality of livestock/animal and all decisions of the judge will be final.
20. Each exhibitor must provide feed for their livestock while it is on the grounds. Please make sure animals also receive adequate water.
21. The Fair Board will provide wood shaving bedding for all animals. Extra bedding will be available for purchase in the Fair Board office. **STRAW IS NOT ALLOWED.**
22. Each exhibitor is responsible for keeping his/her pens or stalls clean and the aisles swept out. Pens need to be cleaned out by 10 AM on Monday. The Emmet County Fair Board reserves the right to withhold premium money from anyone not cleaning out their pens.
23. No grooming chutes/blocking chutes will be allowed in any livestock barns. They must be set up between the barns in front of their stalling areas. If more room is needed, ask permission once neighbors are set up! Please make sure to have all tents tied down and are secure!

26. Health certificates will not be required on livestock showing at the fair. They will all be inspected by the Official Fair Veterinarian.
27. No unnatural means of providing an animal feed, water, or other fluid (i.e. stomach pump) will be allowed unless administered by the official fair veterinarian for health reasons.

29. No exhibitors/families will be allowed to stay overnight on the fairgrounds unless prior approval is granted from the fair board.
30. No alcoholic beverages are allowed on the fairgrounds.
31. It is mandated by all committees that you wear a 4-H shirt for showing all 4-H exhibits and FFA shirt while exhibiting all FFA exhibits. Also, all exhibitors must wear jeans/pants and close toed shoes or boots. Horse exhibitors refer to the 4-H Rules & Regulations for Equine Shows in Iowa, 4-H 511C.
32. All livestock trailers should be parked on the southwest side of the fairgrounds along the fence.
33. If there is a situation where a 4-Her has two or more animals in the same class, the 4-Her is required to find a 4-Her that is in good standing and eligible to show at Emmet County Fair. *See 4 meeting rule p. 6*
34. Exhibitors shall act as young ladies or gentlemen at all times. Unnecessary roughness or discourtesy will dismiss the exhibitor from further competition for the entire show. Good sportsmanship should prevail. Courtesy is mandatory. No abuse (hitting, kicking, etc.) of animals will be tolerated. Each exhibitor must keep their animal under control or they will be excused from the show ring. Any abusive care or excessive modification of animals by parents or exhibitors will be disqualified.
35. There will be no smart watches on or phones in pockets while in the show ring.
36. Stall cards will be posted by Wednesday evening. 4-H club leaders will be contacted if cards are not posted.
37. The County Youth Coordinator, Emmet Extension Council, County Fair Board, and Livestock Committees reserve the right to interpret all rules and make additional rules when necessary. All decisions are final.
38. Read the **SPECIAL RULES** for each division.

4-H/FFA Market Livestock Premium Auction

Market beef, market swine, market sheep, market meat goats, market rabbits, & market poultry are all eligible to participate in the 4-H/FFA Market Livestock Premium Auction on Sunday. The 4-H/FFA member will receive a premium and will retain ownership of the animal. Youth will walk their animal through the ring (**you must be with your animal and ready to go or forfeit**), except for pens of three cattle, where exhibitors will go through the ring with their ribbon. Premium bids will be accepted in flat dollar amounts, NOT dollars per hundred weight. The animal itself is not offered for sale. Youth can go through the sale ring for a **total of up to 3 times maximum**, with the following guidelines:

SWINE: If you bring 5 or less market swine, you may go through the auction ring once. In order to go through the auction ring twice, you must bring 6 market swine.

SHEEP: If you bring 5 or less market sheep, you may go through the ring once. In order to go through the auction ring twice, you must bring 6 market sheep.

MEAT GOATS: If you bring 5 or less market meat goats, you may go through the ring once. In order to go through the auction ring twice, you must bring 6 market meat goats.

BEEF: Each exhibitor may take up to 2 market beef through the auction ring. Pens of three market beef would count as one trip.

MARKET RABBIT OR MARKET POULTRY: Each exhibitor may go one time through the auction ring maximum – with EITHER one market poultry or one market rabbit. (The animal must be entered in a MARKET class to qualify.)

There will be a \$7.50 auction fee per animal that you pay when you sign up to go through the 4-H/FFA Market Livestock Premium Auction. This auction fee is due with fair entries by July 10th (either paid online with a credit card or by check payable to the “Emmet County Fair Board”). Participants need to decide when entering for the Emmet County Fair which species of animals they plan to bring through the auction. The auction fee is used to help defray auction expenses. No refunds on auction fees paid.

It is required that anyone participating in the 4-H/FFA Market Livestock Premium Auction must wear a 4-H or FFA shirt and appropriate pants or jeans (no shorts or capris), no hats, and no open toed shoes. (If you do not follow these guidelines, you will not be allowed to participate in the premium auction.) 4-H and FFA members must be present and accompany their own livestock through the auction ring.

****Auction order will be posted one hour before the auction begins. (It’s also posted on the back of fair book)****

Livestock committees for beef, sheep, meat goats, and swine will attempt to arrange for transportation and will attempt to obtain bids for 4-H or FFA members wanting to sell their animal to the pack, if possible. 4-H/FFA members can elect to take sheep, meat goats, swine, and beef projects home or sell them with the bid presented.

Supreme Showmanship Contest

The senior age (9th-12th grade) winners (1st through 5th place) of Beef, Sheep, Goat, and Swine Showmanship will compete Friday evening following beef showmanship for the “Supreme Showman” title.

1. If one of the 1st through 5th place exhibitors of Beef, Sheep, Goat, & Swine Showmanship has won the Supreme Showmanship in past years, they will not be eligible to participate. The Beef, Goat/Sheep and Swine Committees would ask the next place show person.
2. If one of the members decides they do not want to participate in the Supreme Showmanship Contest, they must notify the Livestock Superintendent (Beef, Goat/Sheep or Swine), so that the Superintendent and committees will be able to ask the next place show person to participate in the Supreme Showmanship Contest.
3. There will be a maximum of 12 exhibitors in the Supreme Showmanship Contest—3 from Beef, 3 from Swine, 3 from Sheep, & 3 from Goats. If an exhibitor qualifies to participate under more than one specie, they will start with the specie they received the highest place with. If there is an exhibitor that qualifies in more than one specie, there will be less than 12 participants in the contest.
4. Members will begin by showing their own animal and then show the other three species—in a round robin rotation system. 1st place winners will show 1st place animals, and so on. There will be a different judge for each specie.
5. Members will be given points by each judge based on presentation and handling of the animal (showmanship) for up to 40 points and specie knowledge for up to 10 points. There are 50 points possible per specie.
6. The Supreme Showman will receive a belt buckle and will not be eligible to win Supreme Showmanship again at the Emmet County Fair in future years.

Herdsmanship Contest

To provide a welcoming and attractive environment for “fair-goers”, we require all exhibitors to keep exhibit areas in good “herdsmanship” manner, which includes:

- **Cleanliness of alleys, stalls, or pens**

 - Manure cleaned out and deposited in proper place

 - “Extra” equipment stored out of the way

2023 4-H Challenge Recipe

Biscuits

Ingredients for dough:

- 2 cups of all-purpose flour
- 1 Tablespoon baking powder
- 1 Tablespoon granulated sugar
- 1 teaspoon salt
- 6 Tablespoons unsalted butter
- $\frac{3}{4}$ cup whole milk (buttermilk or 2% milk will also work)

Directions

1. For best results, chill your butter in the freezer for 10-20 minutes before beginning the recipe.
2. Preheat oven to 425° F and line a cookie sheet with nonstick parchment paper. Set aside.
3. Combine flour, baking powder, sugar, and salt in a large bowl and mix well. Set aside.
4. Remove your butter from the refrigerator or freezer and either cut it into your flour mixture using a pastry cutter or using a box grater to shred the butter into small pieces. Then add to the flour mixture and stir.
5. Cut the butter or combine the grated butter into the mixture until the mixture resembles coarse crumbs.
6. Add milk, and stir until combined, making sure to not over-work the dough.
7. Transfer your biscuit dough to a well-floured surface and use your hands to gently work the dough together. If the dough is too sticky, add flour until it is manageable.
8. Once the dough is cohesive, fold in half over itself and use your hands to gently flatten layers together. Rotate the dough 90 degrees and fold in half again, repeating this step 5-6 times but taking care to not overwork the dough.
9. Use your hands to flatten the dough to 1" thick.
10. Using a round 2 $\frac{3}{4}$ "cutter, press the biscuit straight down into the dough and drop the biscuit onto your prepared baking sheet.
11. Repeat until you have as many biscuits as possible, reworking the dough if needed to get out another biscuit or two. Place biscuits less than $\frac{1}{2}$ " apart on the baking sheet.

EXTEMPORANEOUS SPEAKING

Class No. 11400 – Extemporaneous Speaking (Grades 9-12)

PURPOSE: Encourage the development of communication skills by providing an opportunity to think, organize thoughts, prepare a speech, and respond to questions when given a limited amount of preparation time.

1. Participants must be in grades 9th-12th to enter this class.
2. Emmet County is allowed to send up to two (2) entries to the State Fair in this area.
3. Program format:
 - 1) Thirty minutes before the program, each participant will draw 3 of the available topics, selecting one to speak on. The selected topic will not be available to the other participants. The other 2 not chosen will be returned to the available topics for other participants. The general nature of the topics will relate to 4-H.
 - 2) A preparation room is to be used by each participant. A participant may not leave the preparation room until it is time to speak, nor may a participant receive help from a parent, leader, other adult, or any other youth. A program official will assist participants with the time requirements.
 - 3) All reference material will be screened by a program official on the following basis:
 - i. Contestants may bring **their** own books, magazines, or newspaper clippings for reference during the thirty minutes of preparation.
 - ii. Reference material must be printed material such as books or magazines (cannot be notes, outlines, or speeches prepared by the contestant or by another person for use in this program).
 - iii. Some relevant reference material will be available in the preparation room. This material will consist of historical material related to the 4-H program.
 - 4) Each speech shall be the result of the 4-H **members** own efforts using approved reference material that a participant may bring to the preparation room. No other assistance may be provided. Plain 3"x5" note cards will be provided for each contestant in the preparation room. If notes are used, the 3"x5" note cards provided must be used in delivering the speech.
 - 5) Only notes made during the preparation period may be used.
 - 6) Each speech shall be not less than 4 but no more than 6 minutes with an additional 5 minutes allowed for related questions, which shall be asked by the judge. The contestant will be shown time cards in an ascending order (1 - 5) by the timekeeper. "Stop" will be said at 6 minutes.
 - 7) Each contestant will be introduced by a time keeper by name and club he/she belongs to. The contestant will be expected to introduce his/her speech by title only.
 - 8) Participants are not permitted to use any props, gadgets, posters, or audio-visuals of any sort. A podium will not be available.
4. Speeches will be evaluated using the following criteria: content related to topic, knowledge of the subject, organization of material, power of expression, voice, stage presence, general effect, and response to questions.

Elements of Design & Principles of Art

ELEMENTS of DESIGN

LINE: Line is any mark that is greater in length than it is in width. Line can be vertical, horizontal, diagonal, straight, curved, dashed, zig-zag, thick, or thin. Line can show direction, draw your attention, outline an object, divide a space, or communicate a feeling.

SHAPE: Shape is a closed line. Shapes can be geometric, like squares and circles; or organic, any free formed shapes or natural shapes. Shapes are flat and express length & width.

FORM: Form is any three-dimensional shape that expresses length, width, and depth. Spheres, cubes, cylinders, and pyramids are all forms.

SPACE: Space is the area between and around objects or the area that a form occupies. The space around objects is often called negative space; and the space that an object occupies is often called positive space. Space can also refer to the feeling of depth. Real space is three-dimensional, but space can also be represented on a two-dimensional surface creating a feeling or illusion of depth. Space also relates to objects appearing close or far away.

TEXTURES: Texture is the surface quality that is experienced through touch or the illusion of touch. Textures can be rough or smooth, soft or hard.

COLOR: Color is the quality of the light reflected off an object. Color is described using hue, value, and intensity. Hue is the name of the color (red, green, blue, etc.), value is how light or dark the color is (light blue, navy blue), and intensity is how bright or dull the color is (4-H green, neon green)

PRINCIPLES of ART

BALANCE: Balance is achieved by creating a feeling of equality of visual weights throughout a composition. Balance can be symmetrical (two sides the same), asymmetrical (two sides are different in some way but feels balanced), or radial (objects radiate from a certain point).

MOVEMENT: Movement is achieved by defining visual pathways for the eye to travel through a composition, which sometimes can be achieved through repetition of color, texture, shape, form, or line.

RHYTHM: Rhythm is achieved by punctuating the visual pathways of a composition in such a manner that it allows the viewer to gauge the progression through a composition (dramatic-fast or static-slower).

ECONOMY: Economy is achieved by distilling a composition to its bare essentials in order to create visual clarity without losing the essence of the object (very minimal details, no ornamentation, etc.).

EMPHASIS: Dominance is achieved when the elements in a composition are organized in such a manner that some element(s) is/are perceived as being more important than others (through color, size, space, etc.).

SCALE: Scale is the comparative relationship of size among the different elements of a composition.

PROPORTION: Proportion is the comparative relationship of size within each element of a composition (comparing height, weight, size, etc.).

UNITY: Unity is achieved when all elements of a composition seem as a whole to belong together (through color, texture, line, shape, form, etc.).
