Big Brother/Big Sister FFA & 4-H County Council Mentorship

Are you a new member? Not sure where to start with your 4-H projects? 4-H is partnering with the local FFA Chapter to provide new members with a chance to learn from an older youth mentor. New members would be matched to a mentor that best fits their own project area interests, including projects in livestock, static, and clothing/communication. Activities and learning opportunities will be held throughout the year. Interested? Please see the attached application and return to the Extension Office.
