Starting out in a New 4-H Year

Winter is slowly approaching and the 2014-2015 4-H year has begun! We have celebrated National 4-H Week and new members have begun to enroll. It is a great time to be thankful for our 4H leaders and volunteers for all of their hard work. It’s also a good time for 4-H members to share with others all they have learned through 4-H! Remember that 4-H is a “family affair”- the more you and your parents become involved, the more you will get out of the program and the more it will benefit your life! I can’t wait to see the impact that 4-H will have on all of your lives!

We would like to welcome all the new 4-H members and their families to the Emmet County 4-H Program. We are starting another exciting year of 4-H in Emmet County! I encourage 4-H members to get involved in the county and multi-county 4-H activities and events being offered.

As we approach the Holiday Season remember community service and giving to others in need is a BIG part of 4-H and I encourage you and your clubs to look for ways to give back to those in need in your communities.

I wish you all a happy and healthy Holiday Season!

4-H Re-Enrollment and New Enrollment ONLINE

*As has been done the past few years, all 4-H Re-Enrollments and New Enrollments for the 2014-2015 4-H year are being done through: http://ia.4honline.com
*There are still a few families who have not completed this process yet. We hope that you will do so soon! Medical/release forms are not required, because these questions are included online as well.
*Once you have enrolled, you can use 4hOnline to change or add to your project enrollment, ID animals, view the 4-H newsletter, eventually sign up for 4-H events, and just like in 2014—enter for the Emmet County Fair! The program is very easy to use and we think that you will all enjoy using it!
*To complete your registration process, you will need to pay your $20.00 enrollment fee (make checks to Emmet County Extension). This fee goes directly down to the State 4-H office for support of our program.

Thanks to Max Yield Coop for paying the other $10 per member!

4-H Re-enrollment Deadline is December 15th!

4-H Shooting Sports Group

If you would like to be a part of the Emmet County 4-H Shooting Sports group, please call the Extension Office (362-3434) or email Marcy by February 6th to get on the list. The group is limited to the first 30 youth who sign up, with previous members getting first preference. Remember that even if you were in the group last year, you still need to get on the list for this year. The Shooting Sports group typically meets the 3rd Sunday of each month from February through October at 4:00pm. They meet at the Izaak Walton League when the weather is nice and at the Gruver Community Center during the winter and if the weather doesn’t cooperate. Members can choose to participate in archery, air rifles, shotgun, and muzzle loading.

If you have questions about this group, feel free to contact one of the volunteer leaders: Monte or Deb Hoffmeyer, Dave Solberg, Mike Martens, Ole Enderson, Brian Rosburg, Dean Christensen, or Arvin Enerson.

4-H PLEDGE

I PLEDGE MY HEAD TO CLEARER THINKING, MY HEART TO GREATER LOYALTY, MY HANDS TO LARGER SERVICE, AND MY HEALTH TO BETTER LIVING, FOR MY CLUB, MY COMMUNITY, MY COUNTRY, AND MY WORLD.
**MARKET BEEF**

Pens of three and individual market beef animals need to be weighed-in and DNA verified on Saturday, December 13th (snow date is December 20th) from 8:00-11:00AM at the Gary Madden Farm—5150 240th St, Ringsted. Ear tags must be in before weigh-in and are for sale at the Extension Office for $1.50 (FFA calves must have FFA tags)!

"If you are planning to show beef at the Iowa State Fair, you will need to have your market calves verified through retinal imaging ($15 per head). This will be done the Friday afternoon (Dec 12th) before weigh-in. (Let the Extension Office know by December 5th if you plan to retinal image calves for the Iowa State Fair so that we will have enough supplies on hand). Those who plan to verify for Ak-Sar-Ben will do this on Saturday ($15 per head)—let us know by Dec 5th, so we have supplies on hand.

**BUCKET BOTTLE CALVES**

If you have a bucket-bottle calf that you plan to bring back as a breeding heifer in 2015, you should have the calf vaccinated for brucellosis before 10 months of age.

**BEEF BONANZA**

The 2015 Northwest Iowa Beef Bonanza will be held on January 24th at ILCC in Emmetsburg. All 4-H and FFA members are invited to participate in this day of learning all about the Beef project area. Be watching for more details soon!

**REMINDER ABOUT HEIFERS**

If you originally weigh your heifer in as a market heifer, the animal does NOT need to be ID’d again in 4hOnline as a breeding heifer. It just needs to be entered correctly for the fair.

**C.O.O.L.**

**COUNTRY OF ORIGIN LABELING REQUIRED IN 2014/2015—The USDA is again requiring COOL for all livestock.**

**What 4-H’ers Need to Do:**

*The Iowa COOL Coalition has a simple affidavit that can work for all species of livestock (beef, sheep, swine, poultry, goat). This affidavit is located at, [http://www.extension.iastate.edu/sites/www.extension.iastate.edu/files/4h/Example4HAffidavit.pdf](http://www.extension.iastate.edu/sites/www.extension.iastate.edu/files/4h/Example4HAffidavit.pdf)*

Page 1 explains the steps needed to be taken as well as example documents that can be used for an audit trail. Page 2 is the actual affidavit.

*4-H’ers who raise their own livestock* for projects need to fill this affidavit out and keep it on file for a minimum of two years.

*4-H’ers who purchase their livestock from others* MUST have the producer fill out the affidavit and the 4-H’er should keep the affidavit on file for a minimum of two years.
