A screenshot of the FairEntry payment confirmation screen. At the top, there are three tabs: "Exhibitors", "Entries", and "Payment". The "Payment" tab is active, and the amount "\$2.00" is displayed in the top right corner. Below the tabs is a progress bar with three steps: "Review", "Payment Method", and "Confirm". The "Confirm" step is the current step, indicated by a circled "3". The main content area is titled "One last step!" and includes the instruction "Agree to the terms below and press submit." Below this, there are two columns of information. The left column is titled "After you Submit" and contains a bulleted list: "Records will be locked to editing awaiting manager approval", "Your credit card will not be charged until a manager approves the records", and "If the manager does not approve all the records, the amount charged to the credit card may be less than the amount cited here." The right column is titled "Payment Total" and shows "\$2.00 By Check". Below the payment total, there are "Instructions to Pay by Check" which include: "1. Shooting Sports entry fee: Make check payable to 4-H Shooting Sports." and "2. If you are paying for Open Fair Entries: Make check payable to Fremont County Fair Board."
