THE ROLE OF 4-H IN THE COUNTY FAIR

Fairs are an opportunity for Iowa’s most valuable resource – PEOPLE – to have a unique 4-H learning experience. Fairs provide:

- Learning and fellowship through **Evaluation, Education, and Encouragement** – for 4-H’ers, their families, 4-H volunteers and the public.
- A “showcase” for the public to see “4-H in action” and become familiar with the total scope of the Iowa Youth and 4-H Program.

Since 4-H focuses on people, the growth and learning of each individual is more important than the outcome of a competitive event, product, article or animal exhibited. Exhibits and fair activities should provide an opportunity for youth in all types of 4-H clubs and groups to educate others about what they have learned by being involved in 4-H. Our challenge is to merge the traditional orientation of fairs (products, livestock and competitive events) with 4-H’ers commitment to the individual growth and life skill development of youth.

GENERAL 4-H & FFA LIVESTOCK RULES AND REGULATIONS

Qualifications of 4-H/FFA Members

1. All exhibitors must be 4-H or FFA members in Kindergarten through 12th grade youth who participate in a 4-H program/activity designed to include a minimum of 4 meetings and/or 6 hours of intentional, youth development learning experiences with a caring adult or one of the following FFA chapters:
North Fayette Valley, Oelwein, Postville, Starmont, Sumner-Fredericksburg, Turkey Valley or Wapsie Valley by May 1 of the current year.

2. FFA members must be in good standing and projects must be under the supervision of their FFA advisor and are allowed to show until age 21 or 3 years following their high school graduation.

3. Exhibitors in 4-H classes are not eligible to exhibit in a similar department of the FFA divisions or vice versa.

4. Exhibits previously entered in an FFA Ag Science Fair or any other FFA event or competition may not be entered in any 4-H exhibit class.

5. 4-H and FFA members in 4th-12th grades (or that equivalent) are eligible to participate in livestock and static activities. Clover Kid members in grades Kindergarten – 3rd grades (or that equivalent) are eligible to participate in Clover Kids small animal and static activities.

6. Only livestock projects identified through 4Honline or on identification forms/weigh-in sheets on file at the Fayette County Extension Office by May 15 of the current year may be exhibited.

7. 4-H & FFA membership is open to all youth without regard to race, color, national origin, religion, sex, age or disability.

8. All livestock exhibitors must have Youth for the Quality Care of Animals (YQCA certification by June 15 to be eligible to exhibit at the Fayette County Fair.

Livestock Identification and Ownership

9. All animals must be owned by the exhibitor or in partnership with a family member and identified to an individual 4-H or FFA member by May 15 of the current year. When registration papers are involved, the papers must either be in the exhibitor's name or show a logical family relationship. Animals changing ownership or leasing after being identified as a project are ineligible to be exhibited for that year. Animals may be exhibited by only one exhibitor. Exception: see the “ownership requirements” section of the 4-H 202 https://store.extension.iastate.edu/product/194 for horses and dogs. An animal may be identified by only one 4-H or FFA member.

10. Exhibitors may substitute animals, due to health-related conditions, provided the substituted animal is weighed-in and/or is listed on their identification form on file at the Extension Office by May 15.

11. If a substitute showman is needed, they must have prior approval from Extension staff/superintendent and the exhibitor who identified the animal must be in or near ring during show.

12. No animal is eligible for exhibition in a 4-H & FFA show at the Fayette County Fair if it has previously been shown as a 4-H or FFA project in another county in the current year (does not include the Big 4 Fair).

13. Fayette County Share-A-Project Agreement – The objective of the Share-A-Project agreement is to allow 4-H’ers who cannot house or own a large animal (beef, sheep, dairy, swine, sheep, horse, etc.) to show at the fair. Share-A-Project will allow exhibitors to make a written agreement with someone owning large animals and exhibit an animal at the fair as long as the requirements of the agreement were fulfilled. **4-H members are allowed two animals per species and must not have any other animals of that species in their name.** Share-A-Project Agreement Forms are due by May 15, of the current year along with the livestock identification form and a photo of the animal. These animals are not eligible for State Fair.

Fair Entry Requirements

14. Entries are due to the Extension Office by 4:30 pm on June 15, 2020. Entries postmarked June 15, 2020 will also be accepted. Entries delivered after 4:30 pm (or with a postmark later than June 15) WILL NOT BE ACCEPTED FOR ANY REASON AND 4-H AND FFA MEMBERS WILL NOT BE ALLOWED TO EXHIBIT.
15. All entries must be turned in to the Fayette County Extension Office in Fayette. Entries turned into the Fayette County Fair Office in West Union will be considered late entries.
16. Livestock exhibitors will pay entry fees (individual rates listed on entry form). Exhibitor tickets will not be needed due to the free gate.
17. 4-H & FFA members may enter eligible animals in the open class show. Members intending to exhibit in these classes are governed by the rules of the various open class divisions. 4-H & FFA exhibitors showing in open class must buy open class stalls for animals not entered in the 4-H/FFA show and can stall their animals together IF indicated on the 4-H livestock entry form to assist in stalling).
18. Extra stall requests will be handled by availability. No guarantees or refunds.
19. Market animal ear tag numbers do not have to be specified at the time the entry is made.

Should the 4-H 511C publication rules conflict with the Fayette County Fair Book, the latter document will govern.
2. Exhibitors shall act as young ladies and gentlemen at all times. Unnecessary roughness or discourtesy will dismiss the exhibitor from further competition for the entire show. Good sportsmanship shall prevail.
Courtesy is mandatory. No abuse of horses/ponies will be tolerated. Each exhibitor must keep their horse/pony under control or be excused from the ring. At all times, every horse/pony should be treated in a humane, respectful, dignified and compassionate manner. Rider must remain mounted while entering and exiting the arena; except at the discretion of the ring steward.

4. Warm-up ring – Always watch where you are going. Always pass to the inside. Don’t cut people off and if you walk, walk off the rail so others can get by. If you must stop for tack adjustment or for the rider’s needs, come to the center of the ring to do so. A red ribbon in a horse’s tail denotes that a horse may kick when crowded. Please use caution.

5. Holding Pen – All exhibitors and horse must report to this area prior to entering arena.

6. You may not touch a barrel or pole with your hand or you will receive a “no-time”.

7. In timed events, a running start is NOT permitted. 4-H’ers may not start their run until the gate is closed behind them. A horse must cross the starting line within 15 seconds after the starting signal. After entering the arena, the contestant must start straight or no more than one circle can be performed before starting. Violation of any of these rules will penalize the contestant five seconds for each violation.

8. Horses completing a run must be brought to a full stop in the area between the entry gate and timer prior to the exhibitor dismounting. Failure to do so with any part of the horse re-crossing the time line between or outside the time line markers shall result in a broken pattern and “no time” given.

9. Additional prizes donated by Cowboys Corner, Oelwein will be given to the top winner in Junior, Intermediate and Senior horsemanship classes.

4. Exhibits in 4-H classes are not eligible to exhibit in a similar department of the FFA divisions or vice versa.
5. Exhibits previously entered in an FFA Ag Science Fair or any other FFA event or competition may not be entered in any 4-H exhibit class.
6. Clover Kids (K-3) exhibits will be judged at fair and participation ribbons will be awarded. A Clover Kids booth will be available in the southwest corner of the 4-H Exhibit Hall to display Clover Kids exhibits.
7. 4-H'ers can exhibit only in the categories listed below:
   1) Clover Kids – K-3
   2) Junior – Grades 4, 5, & 6;
   3) Intermediate – Grades 7 & 8;
   4) Senior – Grades 9, 10, 11, & 12
8. Alcoholic beverages, including beer, shall not be consumed or carried about in any area not designated for such purposes.
9. Eligible exhibits are an outgrowth of work done as a planned part of the 4-H’ers participation in 4-H projects or programs during the current 4-H year. Exhibits can be done by an individual or group and may represent all or part of the learning in the project or program.
10. 4-H’ers are responsible for labeling each of their exhibits with the official county fair tags which are available from their 4-H leader. Each piece of an exhibit must be labeled with the name of the exhibitor, club name, description, division, class number and county.
11. Exhibits are due on the fairgrounds for judging at a time and place established each year by county Extension staff. Leaders will be notified of their club’s judging time. All judging will be held in or near the Dance Pavilion.
12. Conference judging will be held for 4-H Family and Consumer Sciences; Creative Arts; Science, Engineering & Technology; Personal Development; Agriculture and Natural Resources Departments, Pets and Clover Kids. Parents may observe conference judging but are
requested not to become actively involved. Conference judging is for the purpose of the exhibitor’s growth. The 4-H’ers goal and applicable exhibit standards will form the basis of the evaluation process. Evaluation criteria will include demonstrated learning, workmanship and techniques, and general appearance and design.

13. **2020 dates for judging are as follows:** 1) July 7, 2020 – Foods Fair; Communications/Clothing Selection/Fashion Revue Judging; 2) July 18 – Static (Non-Livestock) Judging

14. Exhibitors should wear clothing that shows their pride in 4-H/FFA. **4-H/FFA exhibitor t-shirts will be mandatory during all judging, except in classes which require specific clothing. T-shirt order forms are due by June 15. Shorts and flip flops will not be allowed during judging of static (non-livestock) exhibits.**

15. Exhibits may be judged only once. If this rule is broken, ribbon and premium money will be forfeited.

16. Any exhibit not meeting criteria described for that class shall be lowered one ribbon placing automatically.

17. A 4-H’er may reuse a part of a fair exhibit in the next 4-H year(s) if the goals of the project are new and different (e.g. 2016 learn to refinish a wooden chair, 2017 learn to re-cane the seat of that chair, 2018 use the chair as part of a room plan, 2019 use as an article of family historical significance, 2020 create a fabric covering for the chair to change its look and coordination in a new room).

18. Copyrighted materials and designs may not be used in an exhibit that is presented as original work by the exhibitor. Exhibitors must include permission from the copyright holder/owner when using copyrighted materials. Exhibitors must give proper credit to the original source of all materials/designs used in exhibits. (See also special rules for Visual Arts and general copyright information for 4-H’ers.)

19. Due to security, 4-H’ers are discouraged from sending items that have special meaning and historical value as the exhibit or part of the exhibit. Staff will use diligence to insure the safety of articles entered for exhibition after their arrival and placement. However, they will not be responsible for damage or loss by accident, fire, theft, etc.

20. Exhibitors will be awarded premiums on the basis of: White ($1), Red ($2), Blue and/or small Purple ($3), State Fair (an additional $1). Small purple ribbons are awarded to outstanding exhibits and those considered for State Fair for 4-H’ers in grades 5-12.

23. The Fayette County Fair Board, 4-H leaders, volunteer helpers, County 4-H Council or County Extension personnel will not be responsible for damage or lost items due to accident, fire, theft, etc.

24. Extension staff strongly encourages each club to hold an achievement show or club tour either on their own or with another club to evaluate the 4-H’ers exhibits prior to county fair.

25. **Every club is encouraged to have a 4-H educational display in their booth to accompany their exhibits. “Strive for Gold”, is the fair booth theme for the 2020 Fayette County Fair.**
The booths will be judged and prizes will include: $25-1st Place, $15-2nd Place, and $10-3rd Place. The booth contest is sponsored by Friends of 4-H.

- Information asked for on the Exhibit Explanation Sheet is meant to be brief at the county fair level. Members must share their Exhibit Explanation Sheet with their judge.
- If an exhibit is selected to go on the 4-H State Fair judging, a member's Exhibit Explanation Sheet may need to be expanded to meet State Fair rules. *Fayette County Fair Exhibit Explanation Sheets cannot be used when exhibiting at the State Fair with the exception of photography.*
- A written explanation, audio recording, or video recording is to be included as part of each exhibit. The exhibitor should respond briefly to the following questions about the exhibit:
  1. What did you plan to learn or do? (What was your exhibit goal(s)?)
  2. What steps did you take to learn or do this?
  3. What were the most important things you learned?
- *Check for additional requirements for food and nutrition, photography and visual arts classes.*

28. Help for 4-H'ers preparing fair exhibits:

- Most exhibits have specific guidelines and requirements that will be included in the judging process. 4-H members are highly encouraged to go to [www.extension.iastate.edu/4h/exhibit-tip-sheets](http://www.extension.iastate.edu/4h/exhibit-tip-sheets) to find information about judging criteria for exhibits they create from their 4-H project learning.
- An exhibit is an object or objects. Examples include, but are not limited to; a plate of cookies, a sewn garment, or a refinished chair.
- A poster must meet size limits. A poster should have readability and margins. Check with the Extension Office for further help with posters.

31. FFA members having static (non-livestock) exhibits judged during the county fair must notify their advisor before the end of the school year to obtain the correct number of project labels and goal sheets.
