

PICK WHAT INTERESTS YOU

- Find a few areas that you want to try.
- Learn from a variety of resources; adults, friends, family, online, or even the library.
- As you start, think about what you want to learn and do. Then, keep track of it so you can share it with others in a fair exhibit presentation.

CHOOSE A CLUB

- Maybe you have a friend who's in 4-H, or there may be a club that's close to home.
- Don't know what club you want to join? Talk to someone at your county Extension office, and they'll be happy to find you a club that fits you and your adventure!

GET INVOLVED

- Contact the club leader and visit a meeting in your area.
- Don't be shy—the club leaders and the older kids in the club will be happy to answer your questions and help you fit in.

LET THE ADVENTURE BEGIN!

- Go to your club meetings.
- Participate in the club activities.
- Learn about the things that interest YOU!
- If you really enjoy what you do in your project this year, plan to expand your horizons even more next year!
