

- Each club will provide pies based on a percentage of membership.
- A \$25.00 charge will be made for each pie short of the required number.
- Pies must be STANDARD NINE-INCH, TWO-CRUST, HOMEMADE FRUIT PIES.  
A \$25 charge will be applied to each pie less than nine-inches.
- Please bring pies as assigned to assure variety.
- No soft pies are acceptable! This includes pecan and pumpkin. Soft, cream pies are forbidden by the Iowa Department of Agriculture. Any cream pie arriving at the foodstand will be sent back home with the member and the club will be fined \$25.
- Pies are to be brought in DISPOSABLE pie tins.  
NO GLASS OR METAL PIE TINS!
- Remember, our customers come to our stand for HOMEMADE pie. If you or club would rather purchase your homemade pies, contact the Extension Office for names of vendors.
- No Early Pies! We do not have storage space for an over-abundance of deliveries. If families have a problem delivering on day due, either send with another club member or purchase pie from a vendor who will deliver to the fairgrounds – all vendors who agree to bake for the foodstand do deliver.
- Please watch the following:  
Bake your pie thoroughly. We had some underdone pies last year. We also had some turn soggy due to the humidity. Your only control is to deliver on time.
- Do not bring pies with crumb top crust. These turn soggy very quickly in humidity and we do not have refrigerator space. Crumb top pies will be sent back with the member and the club will be fined \$25 per pie!
