

GOATS

Superintendent: *Doug Jamison*

1. A 4-H or FFA member enrolled in this project may exhibit a total of five (5) market wethers, five (5) breeding does, and five (5) dairy goats.
2. ALL GOATS MUST HAVE SCRAPIE TAG that includes the Premise ID.
3. Market goats must be between 3 and 12 months of age.
4. Breeding doe identification must include date of birth.
5. No billy goats to be shown.
6. La Mancha Goats will be identified by tail tattoo or tag on collar.
7. All animals will be shown with halters or collars.
8. Keep goats and sheep apart.
9. Market goats will be weighed in at the same time as sheep weigh-in prior to fair.
10. Meat Production Does do not need a County 4-H tag in the ear at the Fremont County Fair. An ID tag around the collar is sufficient. However, participants at the State Fair Show must be ear tagged or tail tattoo.
11. Home Raised – Noted when animal is identified as an exhibit. To be eligible for home-raised class, the birth mother of the animal must be owned by the exhibitor or an immediate family member at the time of birth and the exhibitor must provide primary care for the animal from birth through county fair.
12. Market goats entered in the Carcass class need to be shaved to 1/16" prior to weigh-in. Minimum weight = 65 pounds
13. Generators are encouraged near the barns and in the designated grooming areas for use with grooming equipment.

NEW THIS YEAR!!

All swine, sheep, and goats will be checked on the trailer before unloading at the County Fair.

No early arrivals for any species.

Families bringing in livestock will be asked to come through the North gate of the fairgrounds and line up between the show ring and McElroy building to allow for easy pull up and back in at the unloading shoot when it is your turn.
