IOWA STATE UNIVERSITY
Extension and Outreach

JUNE
5th&12th

Zoology Camp: Grades 3rd-8th
10:00 AM - 2:30 PM Cost: \$50

Youth will explore zoo animals. We will learn about tracking animal behaviors, biomes, life cycles, and about different cultures! During this camp on June 12th youth will take a field trip to Blank Park Zoo to see these animals up close!

JUNE
16th

Kitchen Science: Grades 4th-8th
1:00 PM - 3:00 PM Cost: \$15

The kitchen is full of secret science adventures! Youth will use everyday kitchen items to explore the wonders of science through several STEM activities and challenges!

JUNE
20th

Kitchen Science: Grades K-3rd
1:00 PM - 3:00 PM Cost: \$15

The kitchen is full of secret science adventures! Youth will use everyday kitchen items to explore the wonders of science through several STEM activities and challenges!

Aug.
1st

Fun with Bots Camp: Grades K-3rd
10:00 AM - 3:00 PM Cost: \$20

Coding fun never stops! In this camp, youth will learn the basics of coding through hands-on interactive coding opportunities. They will be introduced to basic concepts through games, robots, art, reading, and block-based code!

Aug.
7th

Crime Camp: Grades 3rd-8th
10:00 AM - 3:00 PM Cost: \$20

Become a detective for the day! Youth will learn the basics of what happens to solve a crime. From fingerprinting, DNA, and solving their own case, these youth will be crime-solving experts by the end of the day!
