4-H Participation:

I belong to the Hardin Happy Clovers 4-H Club. Our club picks up ditches twice a year for a service project to help pay for a portion of our enrollment fees. This year for a fundraiser we served lunch at West Central Coop in Jefferson. Other activities that our club did throughout the year were magnetic bulletin boards for a project to take to fair, and we also cooked pizza from scratch. Our club participated in both the 4-H Softball and Volleyball Tournaments. We also participated in set-up before and after fair. I am also our club Treasure.

Communications:

During our club fair tour, I told our club members about my calves and woodworking project. I also did my club presentation on, "The American Flag." I discussed the history of the American Flag and some fun facts as well.

At Home with My Family:

My responsibilities are to help with chores and anything else that needs to be done around the house. I also babysit for family friends, and I am hoping to start babysitting more in the summers in the future.

At School:

I play 3 sports: volleyball, swim team, and track. In volleyball, I play back row and enjoy serving the ball. In swim team, I love the freestyle race. In track, I run the 100 meter hurdles, and I am also in the 4by100 meter relay. I am also on student council for the first year, and I made the honor roll for both semesters this year.

In My Community:

I am a member of the First Presbyterian Church and go to Sunday School there. Our congregation participates in many activities, which include community service projects. I also help clean up after church suppers and services.
