We will meet every Monday except Memorial Day Monday.

What do I need to bring:

Vaccination records are required and **MUST** include Rabies, Distemper & Parvo. You will also be required to have your dog's vaccination records

I also encourage everyone to bring a kennel if you have one.

We welcome dog of any age and any breed. The only requirement is they **must be fully vaccinated** for their safety. Your veterinarian can help verify this for you.
