If you are exhibiting animals at the 2023 Grundy County Fair and have NOT identified your animals this message is for you!!!

May 15th is MONDAY! Livestock ID's are DUE by 11:59 pm on v2.4honline.com

- This means that any animal that you are even thinking about bringing to the Grundy County Fair or Iowa State Fair must be entered into 4honline.
- **This does NOT include Grundy County Clover Kids.**
- It is optional for clover kids. The benefit of identifying your clover kid animals on 4honline is that they will be available to select when entering animals on Fair Entry. The hard deadline to identify clover kid animals is by JULY 1, 2023.
- **If you are a 4-H member who is identifying as an FFA member – DO NOT put your animals in 4honline, but you DO need to turn in ID Forms to Grundy County Fair. Contact your FFA advisor for a paper form.**

*Horses are required to have photos (all sides)!! No other animal photos are required.

*Breeding Heifers are required to have a tattoo AND another form of ID (which can be a registration number, calfhood vaccination number or 4-H Tag. Contact the Extension Office if you need help with a tattoo or 4-H tag (\$2.00 each).

Please do not wait until the evening of May 15th! The entire State of Iowa uses 4-H Online, and we find that the system can slow down or shut down when everyone is accessing the system at the same time.

We are very happy to help you get your animals entered.

Our Extension Office is open today 8 am to 4:30 pm, Friday (5/12) 8 am to Noon (Closed in the afternoon for plant sale), and we are open Monday (5/15) 8 am to 4:30 pm. You are more than welcome to stop by and we can help in person.

Give us a call 319-824-6979, Andrea and Ashley can help over the phone.

Email us with the subject line "Livestock IDs" traegera@iastate.edu

We are NOT available over the weekend to help you. We will not be checking emails or answering our phones after 4:30 pm on May 15th, so please don't wait!
