Guthrie County August 4-H Newsletter

The Sunday 11—4:30 and Monday 10—2 foodstand shifts are still in need of volunteers. If you cannot work your club’s foodstand shift please call the office 641-747-2276 to sign up!

Guthrie County 4-H is lucky to have great parents, volunteers and business partners that we are able to offer many different auctions and fundraisers. Below is a breakdown of the different causes.

Silent Auction—The Guthrie County Silent Auction Committee holds a Silent Auction in the 4-H STATIC Building during county fair which is open to the public. This committee is a joint effort of Youth Committee members and volunteers that seek donations from local and state businesses. The funds raised go directly to the enrollment fee for 4-H. Iowa 4-H has a $35 per member enrollment fee that goes directly to the State 4-H Office. The Silent Auction allowed us to offer 4-H for just a $10 enrollment fee for the 2017-2018 year to make it affordable for everyone to join. Guthrie County doesn’t keep any of the $35 fee.

The Silent Auction will be open anytime the 4-H STATIC building is open and end on Monday, September 4th at 12 p.m.

Pie Auction—The Guthrie County 4-H Foundation is set to host their annual pie auction during the lunch break of the Beef Show. Every 4-H Club is asked to donate two fruit pies that are auctioned off to raise money for the 4-H Foundation. The Guthrie County 4-H Foundation is a group that offers scholarships to those senior members and those currently in college. They also help with various projects financially such as the expansion of the 4-H Food Stand or club citizenship projects.

Food Stand—The Guthrie County 4-H Food Stand is the sole fundraiser for the Guthrie County 4-H program. All money raised goes towards offering various workshops, awards for Awards Day and to run the programs day to day functions. Clubs are asked to work a specific time so the Food Stand can run efficiently. If you are unable to work your scheduled time, it is imperative to find a replacement or two!

Premium Auction—The Premium Auction started in 2014 to benefit all of the youth that exhibit at the Guthrie County Fair. If you participated in STATIC, Fashion Day, Communications Day, Share-The-Fun, or showed livestock you are eligible to go through the auction and receive a premium. The member will participate with their club and go through the ring individually. All members must be present to participate and 4-H t-shirt is required. If a member is involved in 4-H & FFA they may only go through once with their 4-H club. Auction order is as follows—Northbranch Beavers, SESS Rangefinders, Wichita Wildcats, Seely Bobcats, FFA, Dodge Dodgers, Grant Sky Eagles, Cass Pioneers, and U.S. Sunbeams

Members have the option to keep their animals, sell their animals privately, or sell to the packer. Each species will have a packer buyer bid at the time of check-in. Any animal NOT going to the packer will stay until 2 pm on Monday.

County Fair is a great time to catch up with family and friends. Please remember that even if you aren’t wearing your 4-H/FFA shirt that you are still representing your organization. Youth are expected to follow the Iowa Youth Code of Ethics and the Guthrie County Code of Conduct. Adults are asked to be role models for youth. No alcohol will be allowed in the barns at any point and time. You will be asked to leave and other consequences will follow.

Workshops

Monarchs on the Move

Kael Rutledge will be hosting a Monarchs on the Move workshop, where he will give a short presentation and participants will be planting milkweed.

Please bring gloves, sunscreen, and a spade.

It will be held on August, 11 from 10-12 at Panorama West Golf Course.

Everyone is welcome to attend!
**FAIR INFORMATION**

**SCRATCH INFORMATION!**

AUGUST 15th is the last day to scratch animals entered without the $10 penalty. Call the Extension Office to scratch animals. This will be enforced this year!

**Beef Information**

Weigh-in for the junior cattle feeders is at the Sale Barn on Thursday, August 30th from 3—5 p.m.

Remember to complete the form telling about production costs and rate of gain for your junior cattle feeders and/or your cow calf pen fair entries.

**Bucket Calf Report**

If you have a bucket calf project, there is a simple report about your project that is due by August 15. Forms are available at the Extension Office or on our website.

**4-H Armbands**

Exhibitors who are showing dogs or horses can purchase 4-H armbands at the Extension Office before fair or at the Livestock Office during the fair. Cost is $2.75.

**Bedding**

Horse, goat, sheep and swine exhibitors can purchase packaged bedding. It will be at the fair on Wednesday to help you set up your animal pens!

**Livestock Office**

Volunteers are needed during the county fair in the livestock office. If you are interested please contact the Extension Office at 641-747-2276.
**4-H T-Shirts**

White, Grey, Green and Black 4-H T-shirts are available to purchase at the Extension Office. Cost is $7. 4-H T-shirts should be worn when you are showing animals, when you are working in the foodstand, going through the premium auction, or serving as host in the exhibits building.

Yellow Clover Kids Shirts are available at the Extension Office for $7. These can be worn at any time but especially for 4-H activities and fair!

1 form per species!
Bring this form with you to your species weigh-in at county fair.

Name____________________________________ Club__________________________ Premise ID#________________________

As a youth livestock producer, I understand that I have an obligation to be a responsible producer and that all animals will enter the food chain and become edible food products for the consuming public. This subjects every exhibit animal to all state and federal regulations involving proper drug usage and all Food & Drug Administration, Animal Plant Health Inspection Service, Food Safety Inspection Service, and Environmental Protection Agency regulations.

➢ We, the undersigned, certify that we have read, understand and will abide by all rules and regulations of the Guthrie County Fair. We agree to the condition that these exhibit animals (identified on this form) may be screened for violated residues and foreign substances. Also, as a condition of entry, exhibitor agrees to a background check for any past disqualification from other livestock shows.

➢ We certify the Premise ID number(s) provided is the location(s) the exhibit livestock was housed prior to arriving at the show and the exhibitor has an active/current FSQA (or Youth PQA Plus) certification.

➢ We have completed the Treatment Records information on the back of this form for any injectable, water, or feed medication, pesticide or other substance that has been administered to exhibit animals. Use of these products may require additional time to meet legal withdrawal limits before harvest.

➢ We certify that our exhibit animals have completed any withdrawal time relative to the administration of any legal drug, vaccine or other substance, and are in compliance with applicable FDA and USDA regulations (and similar state regulations) concerning drug residues and withdrawal periods.

➢ We certify that these exhibit animals have not received drugs that are not in compliance with label indications or, if applicable, the requirements of the regulations codifying the Animal Medicinal Drug Use Clarification Act amendment.

➢ If violations are detected, appropriate state and federal authorities will be notified and regulatory action can be expected. Also exhibitors will be subjected to penalties as determined by show management.

➢ Swine – We certify these hogs did not originate from a herd under quarantine and there has not been evidence of swine dysentery (Brachyspira hyodysenteriae) in this herd during the past twelve months.

➢ Swine - We certify that we have reviewed the treatment and feed medication records of all exhibit swine and they meet or exceed the suggested withdrawal periods of Japan Maximum Residue Levels (MRLs) of pharmaceutical products listed on the National Pork Board web site www.pork.org/Producers/JapanMRL.aspx.

➢ Beef and Sheep - Effective 4/1/01 due to concerns of BSE. We certify that to the best of our knowledge, none of the livestock described herein are adulterated within the meaning of the Federal Food, Drug and Cosmetic act (none of the cattle or sheep have been fed any feed containing protein derived from mammalian tissues, such as meat and bone meal from ruminants), not in compliance with 21 CFR 589.2000. We have purchase invoices and labeling for feeds containing all feeds containing animal protein products. Copies of these records are too made available to FDA upon request. Ask for a fact sheet from the Extension Office.

➢ Sheep and Goats – We have followed the regulations of the Iowa Scrapie Eradication program by the official scrapie program ear tags on all reproducitively intact animals being exhibited.

➢ Beef: We further certify the listed animals have not received any form of zilpatrelol hydrochloride (Zilmax, Showmaxx, or any other formulation and/or derivative).

➢ Effective 9/30/2008 COOL (Country of Origin Labeling) Compliance. By signing below, I/We hereby certify that all animal listed were born and raised in the United States; we have followed all COOL compliance guidelines, and have maintained the appropriate record to provide as proof of country of origin.

➢ We further certify the information provided below is correct and accurate and that we have read and understand these regulations and may be relied upon by any person or entity accepting these animals for harvest.

Please list any treatment given to the animals and sign on the back page.
