We have three groups who will be performing their Share-The-Fun acts at State Fair! Congratulations to Cass Pioneers, US Sunbeams and Wichita Wildcats! Thank you for all who presented or came to watch the Fashion Day.

The horse workshop is scheduled for Tuesday, August 13 at 6 pm at the fairgrounds. Bring your horse if you wish, you will work on areas that are causing you problems. This workshop will help you meet the training requirement if you have not already done so.

Pollorum Testing

Pollorum testing has been set for Tuesday, August 6 at 1 p.m. at the hoop building behind Guthrie Country Veterinary Services.

If birds are purchased from a hatchery, you need to request the pollorum certificate from them, and you will not need to have your birds tested. All home raised birds must be tested.

Pollorum Certificates must be presented at fair check-in.

Ak-Sar-Ben Entries

Ak-Sar-Ben entries are available at the Extension Office. Livestock identification must be on file with the Extension Office. Entries are due to the Guthrie County Extension Office by August 12.

KJAN Radio Interviews

KJAN radio station out of Atlantic will be at the Guthrie County Fair Thursday, August 29 and on Friday, August 30 at 1 p.m. near the livestock office. All members exhibiting livestock and/or static exhibits are welcome and encouraged to participate in the radio interviews. Please remember, you are representing your club, family, and county when on the radio so be prepared to answer questions. Questions they might ask include: What projects did you bring to the fair? How many years have you been in 4-H or FFA? What activities are you looking forward to at the 2013 County Fair?

We look forward to hearing YOU on the radio!

Bedding

Horse, goat, sheep and swine exhibitors can purchase packaged bedding from a vendor at the Guthrie County Fair for $5/bag. He will be donating $0.75 to the 4-H program for each bag purchased.

Beef Information

Weigh-in for the junior cattle feeders is at the Sale Barn on Thursday, August 29th from 3—5 p.m.

Remember to complete the form telling about production costs and rate of gain for your junior cattle feeders and/or your cow calf pen fair entries. Jim Calvert will be available at the Livestock Office on Friday morning to help with the feeder pen forms if you need assistance.

Beef lead calves are required to have a neck tie.

Bucket Calf Report

If you have a bucket calf project, there is a simple report about your project that is due by August 15. Forms are available at the Extension Office or on our website.

4-H Armbands

Exhibitors who are showing dogs or horses can purchase 4-H armbands at the Extension Office before fair or at the Livestock Office during the fair. Cost is $1.75.

NEW THIS YEAR!

Exhibitors will have exhibitor bags! You will pick them up when you check in your Static exhibits on Wednesday or at the livestock office on Thursday. Inside the bag will have your exhibitor number, safety pins, ribbons that you earned from Static judging and other fun things. There will be one per 4-Her.

4-H PLEDGE

I PLEDGE MY HEAD TO CLEARER THINKING, MY HEART TO GREATER LOYALTY, MY HANDS TO LARGER SERVICE, AND MY HEALTH TO BETTER LIVING, FOR MY CLUB, MY COMMUNITY, MY COUNTRY, AND MY WORLD.
The third annual pie auction, sponsored by the Guthrie County 4-H Foundation, will be held during the lunch break of the beef show on Sunday, September 2. Each club is asked to bring 2 fruit pies to the livestock office that morning.

Last year the money was used to help provide scholarships and 4-H trips to Washington, DC., and it will be available for other 4-H opportunities.
