Name _____ Club _____ Premise ID# _____

As a youth livestock producer, I understand that I have an obligation to be a responsible producer and that all animals will enter the food chain and become edible food products for the consuming public. This subjects every exhibit animal to all state and federal regulations involving proper drug usage and all Food & Drug Administration, Animal Plant Health Inspection Service, Food Safety Inspection Service, and Environmental Protection Agency regulations.

➤ We, the undersigned, certify that we **have read, understand and will abide** by all rules and regulations of the Guthrie County Fair. We agree to the condition that these exhibit animals (identified on this form) may be screened for violated residues and foreign substances. Also, as a condition of entry, exhibitor agrees to a background check for any past disqualification from other livestock shows.

➤ We certify the **Premise ID number** (s) provided is the location (s) the exhibit livestock was housed prior to arriving at the show and the exhibitor has an active/**current FSQA** (or Youth PQA Plus) certification.

➤ We have completed the **Treatment Records information** on the back of this form for any injectable, water, or feed medication, pesticide or other substance that has been administered to exhibit animals. Use of these products may require additional time to meet legal withdrawal limits before harvest.

➤ We certify that our exhibit animals have **completed any withdrawal time** relative to the administration of any legal drug, vaccine or other substance, and are in compliance with applicable FDA and USDA regulations (and similar state regulations) concerning drug residues and withdrawal periods.

➤ We certify that these exhibit animals have not received drugs that are not in **compliance with label indications** or, if applicable, the requirements of the regulations codifying the Animal Medicinal Drug Use Clarification Act amendment.

➤ If violations are detected, appropriate state and federal authorities will be notified and regulatory action can be expected. Also exhibitors will be subjected to penalties as determined by show management.

➤ **Swine** – We certify these hogs did not originate from a herd under quarantine and there **has not been evidence of swine dysentery** (*Brachyspira hyodysenteriae*) in this herd during the past twelve months.

➤ **Swine** - We certify that we have reviewed the treatment and feed medication records of all exhibit swine and they meet or exceed the suggested withdrawal periods of Japan Maximum Residue Levels (MRLs) of pharmaceutical products listed on the National Pork Board web site www.pork.org/Producers/JapanMRL.aspx.

➤ **Beef and Sheep – Effective 4/1/01 due to concerns of BSE.** We certify that to the best of our knowledge, none of the livestock described herein are adulterated within the meaning of the Federal Food, Drug and Cosmetic act (**none of the cattle or sheep have been fed any feed containing protein derived from mammalian tissues, such as meat and bone meal from ruminants**), not in compliance with 21 CFR 589.2000. We have purchase invoices and labeling for feeds containing all feeds containing animal protein products. Copies of these records are too made available to FDA upon request. Ask for a fact sheet from the Extension Office.

➤ **Sheep and Goats** – We have followed the regulations of the Iowa Scrapie Eradication program by the official scrapie program ear tags on all reproductively intact animals being exhibited.

➤ **Beef** : We further certify the listed animals have not received any form of zilpaterol hydrochloride (Zilmax, Showmaxx, or any other formulation and/or derivative).

➤ Effective 9/30/2008 **COOL (Country of Origin Labeling) Compliance.** By signing below, I/We hereby certify that all animal listed were born and raised in the United States; we have followed all COOL compliance guidelines, and have maintained the appropriate record to provide as proof of country of origin.

➤ We further certify the information provided below is correct and accurate and that we have read and understand these regulations and may be relied upon by any person or entity accepting these animals for harvest.

Please list any treatment given to the animals and sign on the back page.
