Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do.

Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
3. I will treat all people and animals with respect. I will provide appropriate care for animals.
4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.
5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of volatile drug residue.
6. If any animal requires medical treatment while at the fair or exhibition, only a licensed veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
7. My animal’s appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.
8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with burden on the exhibitor, parent and/or guardian to prove otherwise.
11. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer both, good and not so good, and how to live with and learn from the outcome.
13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use on Fairgrounds and Campgrounds.

My signature and my parent’s signature on any entry form for the Guthrie County Fair verifies that I (we) agree to the following statement:

I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner.

I have read, understand and agree to follow this code of ethics, and any other rules of competition of the Guthrie County Fair as printed in this premium book/and other exhibitor material.

Arrival Time: Between 3 p.m. and 5 p.m. on Thursday, August 30
Judging Time: 7:30 a.m. Friday, August 31
Release Time: 2 p.m. Monday, September 3

GENERAL RULES

1. Livestock General Rules and Regulations apply in this department.
2. Class listing shown is not necessarily the show order and the Show Officials reserve the right to change or adjust the show order as needs dictate.
3. Siblings may identify the same horse(s) whether owned or leased in 4Honline by May 15th. Each horse must be identified under each member and photos uploaded into 4Honline with each horse’s ID under each member. 4-H'ers must enter the same horse in Guthrie County Fair classes under more than one 4-H member; however each horse can only enter and exhibit in a class one time. IF two siblings exhibit the same horse in different age classes (i.e. Horsemanship Grade 5 and then sibling shows same horse in Horsemanship Grade 7) and both qualify for a Championship class/award the horse can only compete under one exhibitor not both. Entries are open to horses and ponies properly enrolled as projects, and that meet the class qualifications.

4. LIMITATIONS
A. Ages of horse or pony will be based on January 1, not actual age
B. No stallions will be entered or shown.
C. Each exhibitor may enter a maximum of three horses. Only one entry per exhibitor per class. Entries are based upon grade completed.
D. Each exhibitor is limited to one halter class. Halter class horses must be owned by the 4-H member and cannot be leased. Proof of ownership will be asked for during check-in.
E. An individual horse or pony may not enter the same class.
F. Horses may be any breed or combination of breeds 14.1 hands over. Any equine under 14.1 hands will be considered a pony. Ponies that are shod shall have 1/2” deducted from height. POA cards and/or registration papers will be accepted. These must be presented at check-in.
G. At all times, every horse should be treated in a humane, respectful, dignified and compassionate manner. The Henneke Body Condition Score will be used as the method to determine the body condition of the horse. The body condition of horses or degree of fat cover of a horse is a good indicator of their general health. Horses exhibiting a score of 1 to 3 will not be allowed to be shown and must be removed immediately from the Fairgrounds. The Show Superintendent and the Guthrie County Fair Veterinarian will make the final determination.
H. Artificial hair pieces will be allowed in tails only. Body coloring is allowed as long as it does not change the natural color pattern of the horse. Hooves may be colored black or natural.
I. No riding allowed in the barns.
J. Any horse that is unmanageable (bucks, kicks, rears, runs off) will be excused from the ring. If after three attempts, the horse/pony will still not enter the ring, the horse/pony and rider will be excused from the class.
K. Show officials reserve the right to split large classes and/or combine classes with small entries at their discretion.

5. Stalls will be pre-assigned by the Superintendent. If numbers allow, tack stalls will be assigned. Horses must be stalled in assigned stalls through the duration of the fair. 4-H and FFA horses shall be stalled in the 4-H and FFA barn. In entering and leaving horse barns, exhibitors are to lead their horse through the door nearest their stall. (I.e. west half of barn west door and east half of barn use east door).

B. Exhibiting
C. Granted permission by the superintendent

Every Time-Every Ride. No caps, hats or scarfs will be allowed to be worn under the helmet. Guthrie County Fair and Iowa State University make no representation or warranty, express or implied, about any protective headgear and caution riders that death or serious injury may result despite wearing such head gear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all unforeseeable injuries.
D. Western attire: Clothing must be neat and clean. Riders shall wear ASTM/SEI approved helmets and boots. A solid white or colored, button or snap front, long-sleeved, collared shirt is required. The following is prohibited: personalized logo, embroidery (excluding shirt brand logo), zippers, sheer or lace fabric, embellishments, bling of any kind, including but not limited to sequins, rhinestones, chains, etc. Shirts must be tucked in. Any dispute will result in disqualification from your classes.

7. TIMED EVENT CLASSES:
A. Attire: exactly like judged classes.
B. An ASTM/SEI approved helmet is MANDATORY.
C. Equipment: TIMED EVENTS ONLY! Western-type equipment must be used. The used of mechanical hackamore, gag bit or another type of bridle is the exhibitor’s choice. Exhibitors may use tie-down. Any bleeding on the nose, under the jaw, or in the mouth will disqualify the horse.
D. Ball caps are prohibited.
E. No exhibitor may be tied, buckled, or fastened in the saddle in any manner or by any means.
F. In timed event, a running start is NOT permitted. 4-H’ers may not start their run until the gate is closed behind them. A horse must cross the starting line within 15 seconds after the starting signal. After entering the arena, the contestant must start straight or no more than one circle can be performed before starting. Violation of any of these rules will penalize the contestant five seconds for each violation.
G. Horses completing a run must be brought to a full stop in the area between the entry gate and time line prior to the exhibitor dismounting. Failure to do so with any part of the horse recrossing the time line between or outside the time line markers shall result in a broken pattern and “no time” given.
H. Any attempt to right a barrel or pole will result in a 5 second penalty for each one.

8. JUDGING PROCEDURES:
A. The classes in this department will be judged based on scoring procedures listed in 4-H-511-C “Rules and Regulations for 4-H Equine Shows in Iowa” (Revised). This guide is available online or will be available at the Extension Office for a cost of $10.00. Should the 4-H-511-C publications rules conflict with either this county fair premium book section or the exhibitor letter, the latter two documents will govern.
B. Trail class will include five to eight of the obstacles listed in 4-H-511-C plus additional obstacles or work the judge may request. Trail course will be posted prior to show time.
C. Tack and Equipment check—this guide will also be used as the guide by show official for checking ALL TACK, including bits and chin straps. Exhibitors may be asked to drop bits or may be required to remove tack to allow closer inspection by show officials prior to entering the ring or by the judge in the ring. Exhibitors are urged to check tack and equipment with designated show officials well in advance of classes if they have questions. Judges’ decision on tack and equipment is final.
D. Patterns—The show judge shall determine pattern for any horsemanship or equitation patterns (if use) and these will be posted prior to class time.
E. In all mounted classes, exhibitors shall enter the arena mounted at a walk. Exhibitors in timed classes shall dismount before leaving the ring. Violators will be assessed a 5-second penalty in speed events and be dropped one ribbon group in all other classes.
F. Dismounting in the ring before the judge has turned in his/her card will result in disqualification, unless directed by the judge or ring steward, with the exception of game classes.
G. Only 4-H/FFA exhibitors can warm-up or ride 4-H/FFA horses during the county fair until after the show. Trainers, parents, and family members will not be allowed to warm up or ride the exhibitor’s horse until after the horse show is complete. No coaching is allowed from the rail; exhibitors may be disqualified from classes at the judge’s discretion.

9. EXHIBITOR CONDUCT: Contestants shall act as young ladies and gentlemen at all times. Unnecessary roughness or discourtesy will disqualify the exhibitor from further competition for the entire show. Good sportsmanship shall prevail. Courtesy is mandatory. No abuse of horses will be tolerated. Each exhibitor must keep horse under control or be excused from the ring.

10. Class entries must be made by August 1.
11. 4-H or FFA members can win showmanship or horsemanship classes once as a junior (completed grades 4-6), intermediate (completed grades 7 and 8), and senior (completed grade 9 – 12). Master showmanship is for all past showmanship winners.
12. Horses must be shown by the project owner only. The horse committee may grant substitute halter horse handler privileges if an exhibitor has more than one horse in a halter class. 4-H and FFA exhibitors will be allowed to lease a horse.
13. Leased horses may be shown in showmanship or riding classes. A signed lease agreement must be on file at the Extension Office by May 15. The lease form must be attached to the identification form where the animal markings are recorded.
14. Only 4-H exhibitors can warm up or ride 4-H horses during the county fair until after the show. Trainers, parents, and family members will not be allowed to warm up or ride the 4-H exhibitor’s horse until after the 4-H horse show is complete.
15. The reining patterns used will be taken from “Rules and Regulations for 4-H Equine Shows in Iowa”, which is available at the Extension Office or online at www.extension.iastate.edu/store.
16. Any horse hit in front of the withers maliciously will be disqualified.
17. Clothing: Horse exhibitors must comply with the 4-H Rules and Regulations For Equine Shows in Iowa clothing requirements. Failure to wear proper attire will result in lower ribbon placing. SPECIAL NOTE: Hats/helmets may be worn during all halter classes. Helmets must be worn whenever the member is mounted on a horse. All helmets must be ASTM/SEI approved.
18. Grade of a 4-H/FFA member is the last grade completed for performance classes. Juniors were in grades 4, 5, 6 and 7; and seniors were in grades 8, 9, 10, 11 and 12.
19. Any disputes will be settled by the horse superintendent, Extension staff, and Youth Committee.
20. In the novice walk trot class, the horse cannot show in any other riding class except the trail class.
21. Slide view and front view photos must be attached to the identification form or uploaded to 4-H online, or you must color in the appearance of your horse on the white copy of your identification forms, which is due to the Extension Office by May 15.
22. All participants must attend three workshops in county, on safety and two to be determined on an annual basis. Any youth that has shown at the Guthrie County Fair or Iowa State Fair for three years is required to attend one workshop annually to be decided by the superintendent.
23. All exhibitors must agree to the Iowa Code of Ethics and be responsible for their own animals.
24. Vaccinations are not required for showing, but are recommended for the safety of your horse. Recommended vaccinations include influenza, rabies, West Nile and encephalomyelitis (WEE, EEE). Vaccinations for strangles and rhinopneumonitis are also recommended. Please check with your veterinarian. Inoculations should be given 4 or more weeks before a show to be effective.
