Code of Conduct

It is expected that all persons taking part in 4-H/FFA activities/events will conduct themselves in a civil, law-abiding, and courteous manner throughout the entire activity. Participation in activities is a privilege extended to 4-H/FFA members by the local clubs and community. Illegal activity and/or harassment will not be tolerated.

Illegal activity is defined as drugs, alcohol, theft, vandalism, harassment, bullying, sexual harassment, and potential to cause harm to self or to others.

Harassment and bullying towards another may include, but are not limited to the following behaviors and circumstances:

The official reporters of possible violations may include: personnel acting on behalf of 4-H/FFA (4-H Staff, FFA instructors, 4-H Youth Committee Members, 4-H Club Leaders, Superintendents, & 4-H/FFA Event Chaperones), law enforcement, parents of those involved, and those youth directly involved.

Action: The Extension Council Chair (or designee), with the assistance of the Youth Committee Chair (or designee) and Extension Personnel (County or District) will organize a problem solving discussion to be held within two business days of the offense. The purpose of the discussion is to ascertain facts related to the offense, parties involved, and circumstances under which it occurred so appropriate consequences can be determined and rendered to the offender(s).

The following individuals will participate in the discussion:

- 4-H/FFA member(s) involved
- One or more representatives of the following as deemed appropriate based on the offense: event sponsors, FFA instructors, 4-H leaders, chaperones, 4-H Youth Committee, Extension Council, parents/legal guardians, and staff.

Note: Should the offense be criminal in nature, or result in personal injury, law enforcement will be contacted immediately. Any legal consequences will be separate from those outlined herein.

Consequences will be determined after investigating the matter and having the problem solving discussion. The Extension Council Chair, Youth Committee Chair, and Extension Personnel will make the final determination of consequences, based on information presented and input from participants in the discussion. Consequences may include one or more of the following:

- a verbal or written apology to appropriate parties
- restitution to appropriate parties
- community service
- being sent home or restricted participation for the remainder of the activity
- restriction on future participation in designated 4-H/FFA activity(s)

Based on the offense and circumstances, appropriate consequences and timeline for restitution will be assigned. Failure to comply with assigned disciplinary actions will result in ineligibility in any 4-H/FFA activity will not be allowed until restitution is complete. Retaliation against any person, because the person has filed a bullying/harassment complaint or assisted/participated in a harassment investigation/proceeding, is also prohibited. Individual(s) who knowingly file false complaints and any person who gives false statements in an investigation shall be subject to discipline by appropriate measures, as shall any person who is found to have retaliated against another in violation of this policy.

Appeal Process: If a youth or parent/legal guardian(s) feel that due process has not been provided or administrative judgment is in error, they may request an appeal. The appeal must outline the concern, in writing, and be delivered to the Guthrie County Extension Office within seven calendar days of receiving notification (either verbally, or in writing) of the consequences for the offense. If an appeal is not received within seven calendar days, the consequence(s) assigned to the offender(s) will stand.

If an appeal is delivered to the Extension Office in writing within seven calendar days, the Extension Council Chair shall appoint an “Appeal Committee” consisting of:

- Extension Council Chair or designee

The appeal shall be heard by the stated Appeal Committee at the earliest feasible opportunity, but no later than thirty (30) calendar days following the filing of the appeal. The Appeal Committee’s decision in the matter will be final.
Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do.

Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
3. I will treat all people and animals with respect. I will provide appropriate care for animals.
4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.
5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of volatile drug residue.
6. If any animal requires medical treatment while at the fair or exhibition, only a licensed veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
7. My animal’s appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.
8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, salvia, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with burden on the exhibitor, parent and/or guardian to prove otherwise.
11. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer both, good and not so good, and how to live with and learn from the outcome.
13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use on Fairgrounds and Campgrounds.

My signature and my parent’s signature on any entry form for the Guthrie County Fair verifies that I (we) agree to the following statement:

I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner.

I have read, understand and agree to follow this code of ethics, and any other rules of competition of the Guthrie County Fair as printed in this premium book/and other exhibitor material.

ANY EVIDENCE OF WARTS, RINGWORM, FOOT ROT, PINK EYE, DRAINING ABSCESSES OR ANY OTHER CONTAGIOUS OR INFECTIOUS CONDITION WILL ELIMINATE THE ANIMAL FROM THE SHOW.

No individual Certificate of Veterinary Inspection will be required on Iowa origin animals or poultry exhibited at County 4-H/FFA FAIR, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. All animals moving from out of state into an Iowa county 4-H/FFA fair must meet Iowa Animal and Livestock Importation requirements. Each show must have an official veterinarian.

Quarantined animals or animals from quarantined herds cannot be exhibited.

Official identification listed on a Certificate of Veterinary Inspection required for all cattle and bison of any age coming in from out of state used for rodeos, recreational events, shows and exhibitions.

**SWINE**

All swine must originate from a herd or area not under quarantine and must be individually identified. Plastic tags issued by 4-H officials may be substituted for an official metal test tag, when there is an additional identification (ear notch). All 4-H and FFA tags bearing the US shield are official identification tags.

**Swine originating outside of Iowa.** All exhibitors must present a test record and Certificate of Veterinary Inspection that indicate that each swine has had a negative test for pseudorabies within 30 days prior to the show (individual show regulations may have more restrictive time restrictions), regardless of the status of the herd, and that show individual official identification on test report. Electronic identification will not be considered official identification for exhibition purposes.

**SHEEP AND GOATS**

All sexually intact sheep must have an individual Scrapie Flock of Origin identification tag (Ex. IA1234-5678). All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag or by an official tattoo registered with USDA (to register, call 1-866-USDA-TAG). Wethers less than 18 months of age are required to have an individual identification and a scrapie tag may be used, but a scrapie tag is not required.

**POULTRY AND BIRDS**

All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. (SEE GENERAL SECTION 1.B) **Please note:** Poultry purchased from a hatchery and raised for exhibition are not exempt from Pullorum-Typhoid testing requirements.

However, "Market Classes" of poultry consigned to a slaughter establishment are exempt from the Salmonella testing requirements. "Market Classes" of poultry must be separated from all other poultry by a distance of ten or more feet and/or an eight-foot high solid partition.

**DOGS AND CATS**

All dogs and cats exhibited must have a current rabies vaccination certificate.

**THE DECISION OF THE OFFICIAL SHOW VETERINARIAN WILL BE FINAL.**

BEEF LIVE PRODUCTION MARKET ANIMAL

The purpose of this contest is to provide youth exhibitors of market cattle an opportunity to participate in a live show and then in a carcass contest that objectively evaluates in a scientific way the economically important traits of beef.

1. Contest is open to market steers, heifers and cattle feeder pens that have been weighed and identified before February 1st of the current year. Youth with pen cattle can nominate one calf to participate in the contest. Additional calves may be sent and processed for data. The carcasses will be evaluated by a trained person, who will measure loin eye, backfat, pelvic fat, and grade the carcass. This data along with carcass prices and daily gain will be used in a program to place the carcasses.

3. Any animal that the vet deems to have open sores or cuts that are contagious will not be allowed to be exhibited. (More in "2019 Health Requirements for Exhibition of Livestock")

4. All entries shown live must be harvested and evaluated for carcass data. Calves should weigh between 1000 and 1600 lbs. Calves entered into this class will be judged live with the average daily gain available to the judge. A Live Production winner will be announced.

5. Results of the contest will be announced at the supper/meeting held following the fair on Tuesday, September 17th. Carcass checks and trophies will be distributed at that time.

HORSE

Superintendent: Kathy Pliszka
Identification Form Due: May 15
Entry Deadline: August 1—no late entries accepted
Arrival Time: Between 3 p.m. and 5 p.m. on Thursday, August 29
Judging Time: 7:30 a.m. Friday, August 30
Release Time: 2 p.m. Monday, September 2

GENERAL RULES

1. Livestock General Rules and Regulations apply in this department.
2. Class listing shown is not necessarily the show order and the Show Officials reserve the right to change or adjust the show order as needs dictate.
3. Siblings may identify the same horse(s) whether owned or leased in 4honline by May 15th. Each horse must be identified under one member and photos uploaded into 4hOnline with each horse’s ID under each member. 4-H’ers may enter the same horse in Guthrie County Fair classes under more than one 4-H member; however each horse can only enter and exhibit in a class one time. IF two siblings exhibit the same horse in different age classes (i.e. Horsemanship Grade 5 and then sibling shows same horse in Horsemanship Grade 7) and both qualify for a Championship class/award the horse can only compete under one exhibitor not both. Entries are open to horses and ponies properly enrolled as projects, and that meet the class qualifications.
4. LIMITATIONS:
   A. Ages of horse or pony will be based on January 1, not actual age
   B. No stallions will be entered or shown.
   C. Each exhibitor may enter a maximum of three horses. Only one entry per exhibitor per class. Entries are based upon grade completed.
   D. Each exhibitor is limited to one halter class. Halter class horses must be owned by the 4-H member and cannot be leased. Proof of ownership will be asked for during check-in.
   E. An individual horse or pony may not enter the same class.
   F. Horses may be any breed or combination of breeds 14.1 hands over. Any equine under 14.1 hands will be considered a pony. Ponies that are shod shall have 1/2” deducted from height. POA cards and/or registration papers will be accepted. These must be presented at check-in.
   G. At all times, every horse/pony should be treated in a humane, respectful, dignified and compassionate manner. The Henneke Body Condition Score will be used as the method to determine the body condition of the horse. The body condition of horses or degree of fat cover of horses is a good indicator of their general health. Horses exhibiting a score of 1 to 3 will not be allowed to be shown and must be removed immediately from the Fairgrounds. The Show Superintendent and the Guthrie County Fair Veterinarian will make the final determination.
   H. Artificial hair pieces will be allowed in tails only. Body coloring is allowed as long as it does not change the natural color pattern of the horse.

This guide is available online or will be available at the Extension Office for a cost of $10.00. Should the 4-H 511-C publications rules conflict with either this county fair premium book section or the exhibitor letter, the latter two documents will govern.

C. Tack and Equipment check—this guide will also be used as the guide by show official for checking ALL TACK, including bits and chin straps. Exhibitors may be asked to drop bits or may be required to remove tack to allow closer inspection by show officials prior to entering the ring or by the judge in the ring. G. Only 4-H/FFA exhibitors can warm-up or ride 4-H/FFA horses during the county fair until after the show. Trainers, parents, and family members will not be allowed to warm up or ride the exhibitor's horse until after the horse show is complete. No coaching is allowed from the rail; exhibitors may be disqualified from classes at the judge's discretion.
H. EXHIBITOR CONDUCT: Contestants shall act as young ladies and gentlemen at all times. Q. Grade of a 4-H/FFA member is the last grade completed for performance classes. Juniors were in grades 4, 5, 6 and 7; and seniors were in grades 8, 9, 10, 11 and 12.
