*Complete one sheet for each member*

Name ___________________________________________ Year in 4-H ______

Club ___________________________________________ Grade ________________

This is a guide for an adult or teen mentor to use with 4-H'ers to discuss the yearly 4-H learning experience and participation as well as the record keeping process the member may have used.

1. What went well for you in 4-H the past year?

2. Were there things you could have done differently to improve your 4-H year?

3. What would you like to do and learn in 4-H next year?

Discussion topics might include:
- Did you accomplish your 4-H goals? Overall 4-H goals and Project goals?
- Did you like the way you kept your 4-H records? If yes, how did you decide which things to record?
  If not, what changes would you like to try in the future?
- Have you learned anything about yourself in 4-H this year?
- Have you shared anything you have learned in 4-H this year with others?
