Step 7. To create AKSARBEN nominations, select the Nominations tab in the upper left corner. Select "Add Nomination Information."

Step 8: Select the species, counties and exhibitors that the nomination applies. Select the division you wish to enter the animal under and complete all the required nomination fields based off of the organization's specific animal ID guidelines. If you are nominating this animal for the NE & SD State Fair or AKSARBEN, select the box. By selecting the box, it will trigger a \$6.00 nomination fee for all MARKET animals. (Note: all market animals nominated for AKSARBEN must have a DNA hair sample pulled and submitted.) There is no fee for breeding animals or FFA Feeder Calves.

Click "Add Nomination" when completed with your nomination entry. This will provide you with a 5 Digit number (seen below) to write on the DNA Collection envelope or personal records. Repeat Step 9 for all animals you wish to nominate.

When finished nominating your animals, click "Cancel" to return to the Nomination Tab.

On the right, there is an 'Animal Details' section with a 'Species' dropdown set to 'Breeding Beef' (with 'Feeder Calf' and 'Market Beef' also visible). Below this are input fields for 'EID Tag Number', 'Visual Tag', 'Animal Gender', 'Tattoo Number', 'Breed', 'Registration Number', 'Birth Date' (with a placeholder 'mm/dd/yyyy'), and 'Notes'. At the bottom right, there is a 'Nomination Selection' section with a 'Fee: \$0.00' and a checkbox for 'State Fair/Aksarben Nomination'. Overlaid on the bottom left of the form is a blue dialog box titled 'Record Animal ID'. The dialog box contains the text: 'Please write this number on your DNA envelope for market livestock/feeder calves. For breeding livestock/horse/dairy please record this number in an appropriate location for later reference: 74033'. A red arrow points to the number '74033'.
