Update on Reenrolling in 4hOnline

The State 4-H office is in the process of launching 4hOnline 2.0 so we are currently not able to accept new enrollments or reenrollments. We will let you know when the new system goes live and you can enroll! If your club has new members please contact Brynna so we can have their contact info for insurance purposes!

Clover Kids Information

Due to the uncertainty and added pressure schools are under we are working on retooling how we do Clover Kids. Depending on how things go we may try to do in person meetings beginning in January or offer grab and go style activities. If you are interested in more information please let us know and we will add you to the list to be notified when we have plans in place!

County Fair Premiums

Premiums have been finalized in our office and payments will be made as soon as they are approved by the Fair board at their September meeting.

Healthy Living Club Challenge

The 4-H Healthy Living Club Challenge will be starting in September and runs through June! This year, we will be Winning with Wellnesses and focus on the 8 dimensions of wellness: environmental, social, occupational, spiritual, physical, intellectual, financial, and emotional. Club members will learn about their well-being as well as practice healthy habits through fun and interactive activities each month. Family resources will be provided monthly to allow the whole family to practice these healthy habits together at home. We are looking forward to an exciting year of healthy living. Registration is now open. Club leaders can register their club by visiting the webpage: [extension.iastate.edu/4h/healthy-living-club-challenge](extension.iastate.edu/4h/healthy-living-club-challenge)
