

Hamilton County 4-H

We invite you to learn more about US!
4-H can give you a chance to learn and grow.
In our clubs, you will have adult leaders and older 4-H members to help you along the way.
Don't hesitate to ask your parents for help.
This is a family organization and we encourage all to participate and learn together.
We know you will enjoy joining a club, meeting NEW Friends and participating in many FUN adventures along the way.

What Can 4-H Members Do?

- Discover your hidden talents in more than 100 action-packed projects designed to fit your own interests.
- Explore the world with your friends. Travel to new places, try new things and have lots of FUN!
- Develop self-confidence. Do activities you enjoy. Learn new skills and show others what you've learned!
- Pump up your creativity and imagination. You can make anything possible.
