# Virtual Workshops

## WOOD DUCK TAGGING

**When:** Wednesday, August 19, 1:00 PM

**Who:** Suggested 4-12 grades (grade just completed)

**What:** Join Matt Washburn, conservation officer for the Iowa Department of Natural Resources. Watch how wood ducks and geese are banded each year. Learn why this process is important and what we can learn from it. Also see pictures of wood ducks using the boxes we built in our February workshop. At the end of our Virtual time together we'll do some brainstorming on what else to offer for outdoors learning. Bring your ideas.

**Where:** Zoom link, to be provided via email to registered participants.

**Cost:** \$0

**RSVP:** Wednesday, July 29

## CLOVER KID PREVIEW

**When:** Anytime it works for you!

**Who:** Entering K-3 grade

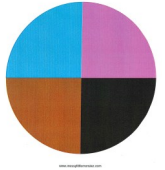

**What:** We have a preview of what the Clover Kid theme will look like this year. The theme will be Art-Lit To Go where we will be looking at colors in nature. You'll need to find different colors of things you find in nature. Examples include rocks, leaves, flowers, twigs, and grass. You can find these items in your back yard, on a walk, at the park, or anywhere in nature. Tape what you find to the included color wheel, take a picture and earn a cool prize. All pictures will be due Friday, August 7.

**Kit:** The color wheel information sheet will be emailed to you, or can be picked up anytime at the Hancock County Extension Office.

**Cost:** \$0

**RSVP:** Wednesday, July 29
