Creating Livestock Entries

Note: Each exhibitor can have multiple entries. One entry must be made for each item, animal, class, etc. For example, if an exhibitor is bringing 2 breeding heifers, two entries into the breeding beef class must be created. If an exhibitor is showing one horse in 5 events, five class entries must be created. Once all entries have been created for the first exhibitor, you have the choice of creating/adding another exhibitor in this family (and entries) or proceeding to check-out (submitting the entries, whether or not fees are charged).

8. Click Add an Entry beside the correct exhibitor (if more than one has been created).

The screenshot shows a navigation bar with 'Exhibitors', 'Entries', and 'Payment' tabs. The 'Payment' tab shows '\$0.00'. Below the navigation, it says 'There are 0 entries belonging to 1 exhibitor in this invoice.' A card for 'Helpsheet, Becky' shows '0 Entries' and a green '+ Add an Entry' button. A blue arrow points to this button.

9. Click Select beside the first **department** you wish to enter. Department is the animal species. The classes will line up to what is in the fairbook. Please refer to the fairbook for class descriptions, rules, limits, and guidelines on which classes to enter.
