**Years enrolled in project including this year:**

**My goal: What did you plan to learn or do?**

My goal was to create a storage basket to fit in my room that would hold my extra bed pillows.

**What I did in achieving my goal (in steps): What steps did you take to learn or do this? What decisions did you make in accomplishing your goal?**

1. Cut the top rim off my 1 bushed plastic basket.
2. Glued the drop cloth to the bottom of my basket, using the pleat method.
3. Started gluing and wrapping the rope around my basket.
4. Once I got to the top, I cut off any excess rope, made sure my end was glued down well, and stuffed the excess drop cloth inside the tote.
5. Optional: I painted the bottom of my basket to match my room.

**What I learned: What were the most important things you learned?**

I learned...

- Be careful of hot glue
- How-to create a pleat
