- All premium checks must be cashed in within 90 days of being received. No checks will be reissued.

- If an animal's health is in question, it will be asked to be removed and will not be eligible for auction.
- No private sales are permitted to be transported by the truck. If animals are not going through the auction you must make your own transportation arrangements.
- **Exhibitor number pick-up will be on Wednesday, July 29 from 4:00-6:00 PM at the fair office.** (This is a new designated time to pick up your exhibitor number, pay your stalling deposit, and any outstanding fees).
- Receive an extra \$10 towards 4-H enrollment!! Monday afternoon August 3, meet the fair board on the race track to help clean the track. Must check-in and check-out to receive credit.

- **Smithfield, last year's hog buyer, has become a Ractopamine-free facility. Since hogs being shown at the Hancock County Fair could be fed Ractopamine or be cross- contaminated with the product a new buyer needed to be identified. The pigs sold at the auction will be trucked to a processing plant in Illinois.
