What is After School Kids Club?

Afterschool Kids' 4-H Club (ASK) is an unique way to experience 4-H because by signing up for ASK your child becomes a 4-H member. This lets them experience what 4-H has to offer while being a part of an afterschool club.

In ASK, we do hands-on activities, play games, learn about the semester theme, develop leadership and teamwork skills, and have a healthy snack.

This session we will be exploring magnets. What makes a magnet? What do they attract? How are they used in everyday life? We will be having a field trip to Buck's Recycling in Belmond on Saturday, October 19. We look forward to working with your children this semester.
