What Is After School Kids Club?

After School Kids’ 4-H Club (ASK) is an unique way to experience 4-H because by signing up for ASK your child becomes a 4-H member. This lets them experience what 4-H has to offer while being a part of an afterschool club.

In ASK, members get to choose a project area to explore, invite experts to speak to the club, decide on a field trip, do hands-on activities, play games, develop leadership and teamwork skills, and have a healthy snack.

This year we will be learning more about pets including dogs, rabbits, butterflies, birds, and even geckos.

This brochure provides more information and a registration form. We look forward to working with your children this semester.

Sincerely ISUEO Hancock County Youth Coordinators,

Victoria Schmidt
Abbie Fansen
