

# 4-H Breeding Animal Complete Record

(for Intermediates and Seniors)

**Species:** \_\_\_\_\_

**Year:** \_\_\_\_\_

Name: \_\_\_\_\_ County: \_\_\_\_\_

Age: \_\_\_\_\_ Grade: \_\_\_\_\_ Years in 4-H: \_\_\_\_\_

Years enrolled in this project, including this year: \_\_\_\_\_

## Goals

For this project I would like to learn or do:

## Communication

Record presentations (talks, demonstrations, newspaper articles, radio interviews, etc.) you have given in this project this year. Include the topic, kind of presentation, type of group reached, and number in audience.

**Action Plan**

Record what you did and learned in this project as you go through the year. Be specific by telling how many and what items were made or selected, animals fed and cared for, decisions, plans carried out, etc.

**Citizenship**

Record your citizenship and community service experiences (helping others) related to this project. Include activities of benefit to the community, school, church group, a neighbor, etc.

**Leadership**

Record your leadership activities related to this project, such as teaching others, leading workshops, organizing an activity, etc.

|                        |                                                                                                               |
|------------------------|---------------------------------------------------------------------------------------------------------------|
| <b>During the year</b> | List recognition you received in the project. (Examples: ribbons, certificates, your name in the paper, etc.) |
|                        |                                                                                                               |

|                        |                                                                                                                      |
|------------------------|----------------------------------------------------------------------------------------------------------------------|
| <b>During the year</b> | Attach pictures, clippings, fair exhibit write-ups, project worksheets, or additional pages related to this project. |
|------------------------|----------------------------------------------------------------------------------------------------------------------|

|                    |                                                                                                                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Refelctions</b> | Tell about your overall 4-H experiences in this project. Evaluate your personal growth, learnings, successes, disappointments, fun and frustrating experiences, and plans for the future. |
|                    |                                                                                                                                                                                           |

# 4-H Breeding Animal Worksheet (Intermediates/Seniors):

**Instructions:** This worksheet should help you keep records of your 4-H breeding animal project. Use a separate sheet for each kind of project—beef, swine, and/or sheep.

My project began with the following animals and/or I purchased these animals during the year:

| Date              | Description (include tag # or eartnotch) | Birth date | Beginning weight | Cost or value |
|-------------------|------------------------------------------|------------|------------------|---------------|
|                   |                                          |            |                  |               |
|                   |                                          |            |                  |               |
|                   |                                          |            |                  |               |
|                   |                                          |            |                  |               |
|                   |                                          |            |                  |               |
|                   |                                          |            |                  |               |
|                   |                                          |            |                  |               |
|                   |                                          |            |                  |               |
|                   |                                          |            |                  |               |
|                   |                                          |            |                  |               |
|                   |                                          |            |                  |               |
|                   |                                          |            |                  |               |
|                   |                                          |            |                  |               |
| <b>Total cost</b> |                                          |            |                  | \$ [1]        |

During the year the following animals died:

| Date | ID | Estimated weight | Estimated value | Cause |
|------|----|------------------|-----------------|-------|
|      |    |                  |                 |       |
|      |    |                  |                 |       |
|      |    |                  |                 |       |
|      |    |                  |                 |       |
|      |    |                  |                 |       |

Iowa State University Extension and Outreach does not discriminate on the basis of age, disability, ethnicity, gender identity, genetic information, marital status, national origin, pregnancy, race, color, religion, sex, sexual orientation, socioeconomic status, or status as a U.S. veteran, or other protected classes. (Not all prohibited bases apply to all programs.) Inquiries regarding non-discrimination policies may be directed to the Diversity Advisor, 2150 Beardshear Hall, 515 Morrill Road, Ames, Iowa 50011, 515-294-1482, [extdiversity@iastate.edu](mailto:extdiversity@iastate.edu). All other inquiries may be directed to 800-262-3804

### Record of Expenses

My feed record is (include feed grown on family farm):

| Date purchased         | Type of feed (grain, mix, hay, supplement, pasture, silage) | Quantity (pounds, days, etc.) | Total cost |
|------------------------|-------------------------------------------------------------|-------------------------------|------------|
|                        |                                                             |                               |            |
|                        |                                                             |                               |            |
|                        |                                                             |                               |            |
|                        |                                                             |                               |            |
|                        |                                                             |                               |            |
|                        |                                                             |                               |            |
|                        |                                                             |                               |            |
|                        |                                                             |                               |            |
|                        |                                                             |                               |            |
|                        |                                                             |                               |            |
|                        |                                                             |                               |            |
|                        |                                                             |                               |            |
|                        |                                                             |                               |            |
| <b>Total feed cost</b> |                                                             |                               | [2]        |

My other expenses (veterinarian, bedding, insurance, show supplies and fees, interest, etc.) are:

| Date              | Item or expense | Cost      |
|-------------------|-----------------|-----------|
|                   |                 |           |
|                   |                 |           |
|                   |                 |           |
|                   |                 |           |
|                   |                 |           |
|                   |                 |           |
|                   |                 |           |
|                   |                 |           |
| <b>Total cost</b> |                 | [3]<br>\$ |

### Record of Income

During the year I sold the following animals:

| Date sold                          | Description (include tag # or earnotch) | Net sale amount of check |
|------------------------------------|-----------------------------------------|--------------------------|
|                                    |                                         |                          |
|                                    |                                         |                          |
|                                    |                                         |                          |
|                                    |                                         |                          |
|                                    |                                         |                          |
| <b>Total value of animals sold</b> |                                         | \$ [4]                   |

Listed below are the animal I still own at the end of the project year:

| Date                                  | Description (include tag # or earnotch) | Estimated total value |
|---------------------------------------|-----------------------------------------|-----------------------|
|                                       |                                         |                       |
|                                       |                                         |                       |
|                                       |                                         |                       |
|                                       |                                         |                       |
|                                       |                                         |                       |
|                                       |                                         |                       |
|                                       |                                         |                       |
|                                       |                                         |                       |
|                                       |                                         |                       |
| <b>Total value of animals on hand</b> |                                         | \$ [5]                |

Other income (premiums, wool, etc.) I received:

| Date                      | Item | Income |
|---------------------------|------|--------|
|                           |      |        |
|                           |      |        |
|                           |      |        |
|                           |      |        |
|                           |      |        |
| <b>Total other income</b> |      | \$ [6] |

### Financial Summary

**Total Expenses**

Value of animals at beginning of my project (From [1] on pg 1) \_\_\_\_\_

Feed cost (From [2] on pg 2) \_\_\_\_\_

Other expenses (From [3] on pg 2) \_\_\_\_\_

Total expenses [7]

**Total Income**

Value of animals sold (From [4] on pg 3) \_\_\_\_\_

Value of animals on hand at end (From [5] on pg 3) \_\_\_\_\_

Other income (From [6] on pg 3) \_\_\_\_\_

Total income [8]

Total expenses [7] \_\_\_\_\_

**Profit or Loss ([8] – [7])**

### Production Records

Total pounds weaned for the project:  
(Total pounds weaned is the weight of all the animals you weaned this year. Add numbers in the total lbs. weaned column from each of your Breeding Animal Lifetime Record Sheets.)  [9]

Total number of females mated:  
(Add all females mated even if no offspring were produced.)  [10]

How many pounds of offspring were produced per female mated?  
(Divide [9] ÷ [10].)

How much did it cost to keep each breeding female in the project?  
(Add [2] + [3], then divide by [10])

Prepared by Brad R. Skaar and Dan Morriscal, Extension Livestock Specialists; Jeff Johnson, Program Assistant, 4-H Youth Development.
