

4-H Llama Complete Record (Leased)

(for Juniors)

Year: _____

Name: _____ County: _____

Age: _____ Grade: _____ Years in 4-H: _____

Years enrolled in this project, including this year: _____

My goals at the beginning of the year

For this project I would like to learn or do:

--	--

During the year

For this project I did these things:

--	--

During the year

My favorite part of this project was:

--	--

During the year	This is what I learned in this project:

During the year	List recognition you received in the project. (Examples: ribbons, certificates, your name in the paper, etc.)

During the year	Attach pictures, clippings, fair exhibit write-ups, project worksheets, or additional pages related to this project.

End of the year	Self-evaluation: Rate yourself on this project experience. Check (x) the appropriate column for each line below.
------------------------	--

How do I feel about....	Great	Good	Okay
what I did in this project:			
what I learned in this project:			
what I shared with others about what I did or learned:			

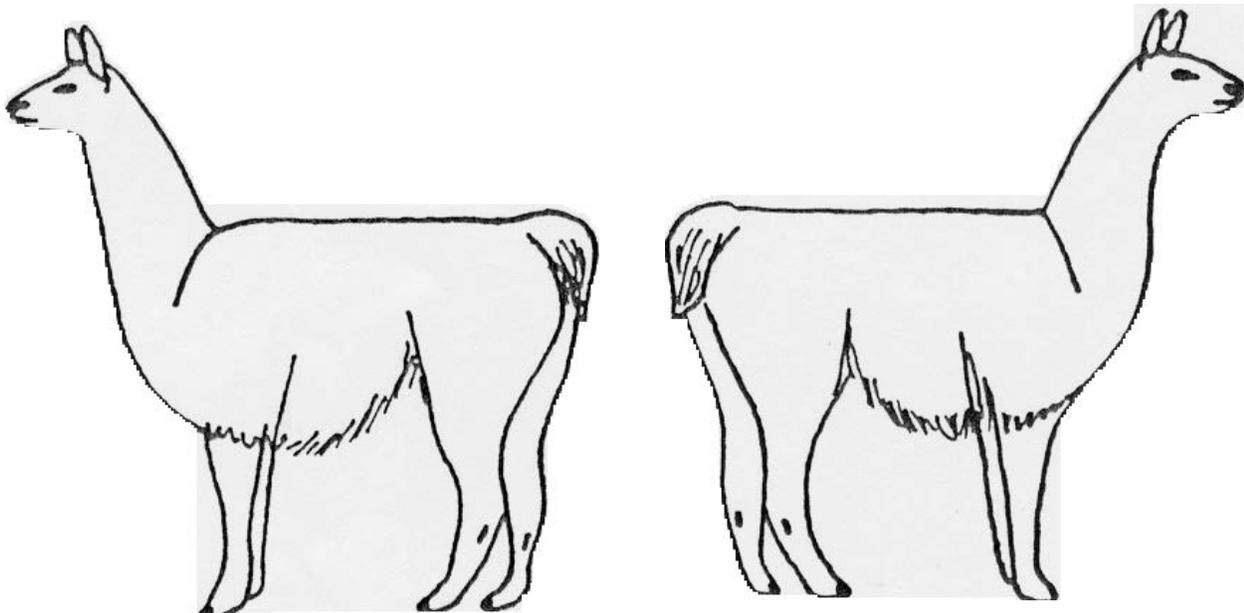

End of the year	Next year in this 4-H project, I would like to:

4-H Llama Project – LEASE WORKSHEET

My Llama or Llamas

	1	2	3
Name			
Age			
Sex			
Colors			
Markings			
Owner			

Identify markings on drawing below:

The prices listed are an estimation of the price of the equipment your llama uses, the price of your llama, the price of your llama's feed, and your llama's health record. This lesson is to see the value of the investment that the llama owner incurs. Complete the information.

Expenses

Equipment	Amount	Cost Each	Total Value
Brushes	1	\$10.95	
Halter/Lead Ropes	1	\$20.90	
Water Buckets	1	\$9.95	
Clippers (wool)	1	\$379.95	
Clippers (to nails)	1	\$21.95	
Blower	1	\$389.65	
Packs, Misc.	1	\$185.00	

Total: _____

Feed Expenses

Kind of Feed	Cost Per Week	Number of weeks worked with llama	Total Cost
Hay	\$5.00		
Grain	\$1.00		
Mineral Salts			
Straw	\$2.00		

Total: _____

Income Earned

Fair Premiums: _____

Misc. _____

Total: _____

Financial Summary

Income Total: _____

- Expense Total: _____

- Feed Expense Total: _____

Subtract Expenses from Income to get:

Net income or loss: _____

Routine Health Care and Health Observations

Think of a time your leased llama wasn't feeling good. What did you observe?

What actions did you or the llama owner take?
