SUBJECT: How to Enter Exhibits for the 2019 Harrison County Fair

Entering exhibits for the 2019 Harrison County Fair will be done online in Fair Entry. Fair Entry is an online module that is a companion to 4hOnline (the 4-H enrollment website). This entry system allows families to enter all 4-H exhibits (including animals) and events wherever they have internet and computer access. Fair Entry uses your family's e-mail and password from 4hOnline to login and will also import all of the animals that were ID'd in 4hOnline to make entries for the Harrison County Fair.

Fair Entry is now open and all entries will be due on June 15 with Fair Entry being available for entries until 11:59 p.m. that evening. We have included detailed instructions on how to log in to Fair Entry and how to enter your fair exhibits (static, communications, clothing events, animals, etc.).

You will need to go to one of the following websites to enter your fair exhibits (both will get you where you need to be):

<https://harrisoncountyiowa.fairentry.com> or <http://www.fairentry.com>

Family Password: Please use the password you currently use with 4hOnline.

If you cannot remember or would like to reset your password, visit <http://iowa.4honline.com> and click 'I forgot my password' and then enter your family e-mail address. A new temporary password will be e-mailed back to you. Be sure to check your "junk" or "spam" mail folder for the password.

First year 4-H families that have not logged into 4hOnline previously will also need to select "I forgot my password" and set up a password. Remember, we do not have access to your passwords at the office, so write it down where you can find it.

If you need assistance or do not have internet/computer access at home to complete your entries, contact the Extension Office and we will assist you. We will be available during regular office hours, or call ahead to schedule a time. Remember that we are now open on Thursdays until 7 p.m. and close at 1 p.m. on Fridays. Please do not wait until the last minute.

Remember, the Harrison County Fair does not charge an entry fee for exhibits entered at the fair.

In Fair Entry, you will notice there will always be a running balance of \$0.00 and you will also be prompted to 'Continue to Payment'. Fair Entry is utilized by many fairs that do charge fees, so this function does need to exist. Please finish submitting the entries knowing that no charges will be incurred.

DO NOT enter any Clover Kid (grades K-1-2) exhibits in the system.
