Please write a few complete sentences about what you learned in 4-H, or why others should join 4-H.

I've been involved in 4-H since the very beginning. Throughout the years, 4-H has taught me more life lessons than I can even begin to count. Everything from communication skills, public speaking, responsibility, and most importantly, dedication. 4-H has helped me grow into the person I am today! I encourage others to join 4-H because of the amazing experiences and people you meet. Some of my closest friends I have met were because of 4-H!

Future plans: I plan to attend DMACC in the fall to study Ag Education.
