_____ # of Guinea Pigs _____ # of Hamsters _____ # of Fish

FORM MUST BE RETURNED TO THE EXTENSION OFFICE BY Friday, June 2, 2023 by 4:00 P.M.

Extension programs are available to all without regard to race, color, national origin, religion, sex, or disability.

1. Cats and dogs **MUST** have current rabies vaccination certificate to be exhibited in the pet show. Your veterinarian can tell you the recommended age for your pet to be vaccinated.
2. Kittens and pups younger than your veterinarian's recommended guidelines will be allowed in the pet show. Please **STRESS** to your members that the purpose of the pet show is for them to exhibit their pets -- small animals they care for and spend time with. We hope that members will not try to catch wild farm cats, etc. just to bring them to the fair. They need to be caring for them.
3. It is our understanding that birds, gerbils, guinea pigs, hamsters and fish do not need rabies vaccinations.
4. Please remind youth to have their pets on a leash, in a cage, or otherwise restrained.
5. Dogs which are shown in the dog obedience show may not be shown in the pet show.

If you need further clarification or have questions, please contact the Extension Office.
