Wild About Native Bees

4th-6th Grade (2018-2019)
July 23 - Prairie’s Edge Nature Center
Learn about native bees (hint: they are different than honey bees) and their important role in the pollination of many food crops. See what you can do to help native bees including building bee nests and getting involved with citizen science to track bees.

Mad Scientist

K-3rd Grade (2018-2019)
July 9 - Lime Springs Day Care (SALC)
July 11 - Cresco Kessel Park
July 16 - Elma City Park
July 18 - Riceville City Park
Have you ever wanted to have a ton of fun as a Mad Scientist in the lab? Come and explore science with a day of fun and messy hands-on experiments!
*Daycare services are available prior and after the day camp at Lime Springs through the Spring Ahead Learning Center (SALC). If you would like to take advantage of this service, contact SALC at (563) 568-8058.

A Universe of Possibilities

K-3rd Grade (2018-2019)
June 28 - Howard County Fairgrounds, 4-H Building
Learn about all of the wonderful possibilities that that the Mighty Howard County Fair and 4-H has to offer. We will be ‘blasting’ off to see great sites around the fairgrounds!

Time: 9:00 AM-3:00 PM
Cost: $15/Camp
Bring a Sack Lunch, snacks will be provided!

Day Camp Registration Form—Due one week before camp date to the Howard County Extension Office
