IT'S FAIR TIME!

It is about fair time!! Summer is going by way too fast. THANK YOU for getting your fair entries in on time, you guys did a GREAT job! I am so excited to see all of the projects that you entered!

There will be a lot of information, times, dates, schedules in this newsletter so please take the time to read through it.

I look forward to seeing you all at the fair!

Making the Best Better!

County Fair is a TEAM Effort

We need volunteers to help with all aspects of the Humboldt County Fair beginning with the clean up and set up right down to the tear down and clean up, and everything in between. You, your teenage children, your family members, neighbors, co-workers, and friends can all join in and make the 2021 Fair something to remember! Some of the things you could help with would be cleaning, setting things up, helping during livestock shows, livestock weigh-ins, helping with paperwork, clean up, and many other things to make our fair the best experience possible for everyone involved. Volunteering is a great way to model responsibility for our youth!

Clay County Fair Entry Deadline is August 1st online.

NEW OFFICE HOURS: We will be closing at 12pm on Fridays. M-Thur 8-4:30 F 8-12

Fair and Project Information

4-H Poster Communications

The object of this class is to provide the opportunity for 4-H'ers to tell a story or idea visual about 4-H to the general public using the nonverbal form of communication on a poster. This is an exhibit that will be judged on Tuesday, July 19th in the commercial building. For more information and rules check the fair book. No goal sheet is needed for this exhibit, but the youth does need to complete the Poster Communication Exhibit Report Form, which is in the fair book.

Inappropriate Food Exhibit for Fair

Food and Nutrition exhibitors should review guidelines for inappropriate food exhibits in the Iowa State Extension publication found at: [http:// www.extension.iastate.edu/sites/](http://www.extension.iastate.edu/sites/)

Is your food exhibit appropriate? Ask yourself: 1. Does this product require refrigeration? 2. Would you eat this product at room temperature? 3. Will the product hold up so it represents a standard when evaluated by judges or viewed by the public? Check the details for specific products.

Copyright Info

Duplication of copyright material or design should not be used in a 4-H exhibit that is presented as original work by the exhibitor. A copyright design cannot be displayed in a public setting (fair) without permission being granted from the owner of the copyright. When permission has been granted by the owner of the copyright, the exhibit will be displayed and labeled appropriately. Those without permission cannot be displayed. If you have a question, please visit with Kiersten.

Writing Goals

If you have a question, please visit with Kiersten. Goals Have 3 Parts: 1. **The Action**- How will you reach your goal? 2. **The Results**- What will you accomplish? 3. **The Timetable**- When are you going to do it? **Check Your Goal**: 1. Does it have the 3 basic parts? (listed above) 2. Do you have control over the goal? 3. Is it measurable? **An example of 4-H project goal**: I will learn how to make cinnamon rolls by county fair. (Food & Nutrition Exhibit goal, as I would have a plate of cinnamon rolls at the fair)

4-H T-Shirts

Humboldt County 4-H t-shirts are available for purchase. The cost is \$11 for youth and \$13 for adult, they can be purchased at the Humboldt County Extension and Outreach Office.

Write your Thank You's

Please remember to send thank you notes to the buyers of your livestock, trophy sponsors, fair board members, 4-H leaders, and anyone else that has helped you this past 4-H year. Don't forget to thank your family members too. We all need to hear those words of appreciation; it might encourage someone to support 4-H next year!

Record Book Information

Don't wait until the last minute to work on your record book. Record book information can be found at: (<http://www.extension.iastate.edu/4h/page/record-keeping>)

ATTENTION CAMPERS

July 1, 2022

To All 2022 Humboldt County Fair Campers,

The 2022 Humboldt County Fair is quickly approaching. Hope you are as excited as we are for another successful fair. With the increased number of campers at the Humboldt County Fair over the past couple years; there is a need to establish rules for the campground in order to create as many camping spots necessary.

- The Fair Board will paint lines on the grass to designate camping spots. Please observe the designated areas and keep your camper/tents within that area.

- On Sunday, July 17, 2022, starting at 7:30 am until 1:30 pm, you may bring your campers to park them. First come, first choice for the placement of campers. Please bring your camper in order to get your spot of choice. We will not allow anything but the camper to reserve a spot. A fair board member will be there to assist you and answer any questions. Please line up campers starting on the road on the south side of the campground by the event center.

- Camping fees will be collected at the time the camper is placed at the fairgrounds. The weekly rate for a camper and electric hook-up is \$100.

- Please note 'quiet times' throughout the entire fairgrounds will be observed from 11 pm through 5 am.

- Also there are no pets allowed on the fairground property.

We hope you find this letter informative and helpful in understanding the campground parking policy. We hope this will allow for more campers and make the campground safer for everyone.

The campground will be closed from July 6th through July 16th.

Thank you for your support with the Humboldt County Fair.
