Thank You's

If you haven't sent out or said your THANK YOU'S it's NOT TOO LATE!!! Please make sure you have taken the time to thank all the trophy sponsors, auction buyers, fair volunteers, leaders, and especially your parents for making your experience a memorable one!

Are you Looking for a Club?

Did you know that we have 7 different 4-H Clubs in Humboldt County? While the philosophy of 4-H shines through in each club, the experiences offered can differ. Some clubs have primary interests in livestock, while others focus on their skills in other project areas such as science, leadership, citizenship, hands on learning, etc. Each club shares a vested interest in learning through doing, and making the best better. If you know someone that is new to 4-H, or if you are looking to make a change, there are plenty of opportunities here in Humboldt County! Here are a list of the 4H Clubs and Project Clubs: Country Bumpkins, Corinth Red Stars, Humboldt Shooting Sports, Livermore Bulldogs, The Muddy Boot Bunch, Thor Vikings, Weaver Valley. Don't be afraid to follow your heart and explore your interests because we have a club for you! Have questions or need info? Call Kiersten at 332-2201

What are you THANKFUL for?

It has been a tradition for 4H clubs to show their appreciation throughout the year to local businesses and supporters. This year, it will be for Thanksgiving. Please talk with your clubs and decide what YOU could do to show the people in your community that you are thankful! Make a list of businesses that have supported you at the fair auction or with a donation or a trophy and take them a yummy snack...or think of an adult who has put on a fantastic workshop or given an informative visit...maybe there is a park or business in town in need to cleaning, repair, or painting...or maybe you could spend some time at a nursing home or drop in center doing crafts or leading a fun activity! Sometimes a simple handmade card acknowledging your thankfulness is all it takes to make someone's day...so you have your assignment. Run with it, be thankful, and show your community that 4-H is a program that holds Citizenship to a high standard. And share your plans with the office...we LOVE to be proud of our 4-Hers!!
